XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination, in addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam-Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X. and XII. are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship; and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters; that in Gunnery by a Gunnery or other competent Officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII. must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate, to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent, at the first Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in

Digitized by Google

his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X. and XII. are to commence with those Officers who shall enter the Service after May, 1837, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1839; but any Midshipman, previous to that date, when he may have completed five years' service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 58, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates shall equally apply to them. Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXII. With reference to Circular, No. 97, of the 9th December, 1851,—The foregoing Examination for the entry of Naval Cadets under 14 years of age shall be extended to Masters' Assistants, between 14 and 15 years of age, and the foregoing Examination for the entry of Cadets above 14 years of age shall be extended to Masters' Assistants between 15 and 16 years of age. The knowledge of Latin, French, and English History, will not be required of Masters' Assistants at these Examinations.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

Explanatory Lectures will be given on the Steam Engine, practical Astronomy, Nautical Implements, Mechanics and Hydrostatics, and other subjects of general interest and instruction.

Certificates must be produced, approved by the Captain, from the Master of the Ship, that the Candidate has gone through and is competent in the course of instruction in Rigging and Seamanship, and from the Naval Instructor, as to the Candidate's attention to the various branches of his education, as well as to his general conduct whilst on board the Training Ship.

PHYSICAL QUALITIES OF CONTINUOUS SERVICE MEN AND BOYS.

Admiralty, March 4, 1857.

In consequence of the size of Her Majesty's ships and their heavy armaments, my Lords Commissioners of the Admiralty consider it to be of great importance that the men entered for continuous service should be strong, able-bodied, and physically fit for the duties required of them. To ensure this object, my Lords are pleased to direct that no man be entered for continuous service unless upon a certificate from the Medical Officer of the ship for which he may desire to enter, approved by the Officer in command, stating that the man is strong, able-bodied, and in all respects physically fit for Her Majesty's Service.

A similar certificate is to be required in the case of boys before they are rated seamen for continuous service.

My Lords desire also to call attention to the provisions of Circular No. 121, of 14th June, 1853, under the head of "Discharge of ineligible Boys." The directions therein contained are to be readily adhered to, and all boys unfit for the service are to be discharged.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships.

PENSIONERS SERVING AFLOAT.

Admiralty, March 7, 1857.

My Lords Commissioners of the Admiralty are pleased to direct, that in future no increase of Pension is to be granted to Pensioners of Greenwich Hospital whilst serving in any of Her Majesty's ships, except in cases in which such Pensioners shall have been called upon to serve.

Claims to increase of pension will, however, be considered on the final discharge of Volunteer Pensioners from Her Majesty's Service.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 292.

Admiralty, March 18th, 1857.

(OFFICERS' FULL PAY BILLS.)

The Lords Commissioners of the Admiralty having determined to discontinue the present mode of paying the Officers of Her Majesty's Fleet by Bills of Exchange drawn by themselves on the Accountant-General of the Navy, and to substitute for it a periodical payment by the Paymaster of each Ship, I am commanded to make the same known for the general information of the Service.

My Lords desire me to call attention to the advantages that will result to the Officers from this change, which will have the effect of protecting them from loss, whether by discount or by exchange—it will relieve them from all trouble and uncertainty as to the negotiation of their Bills—it will ensure prompt and regular payment whereso ever the Ship may be, and it will protect the Officers from the inconvenience to which they are sometimes exposed by their bills being purloined or mislaid.

It is their Lordships' desire, in making this arrangement, that every Officer in the Fleet shall enjoy as much facility in receiving or remitting his pay as possible, and therefore they wish it to be understood, by Officers of all ranks, that at the time of payment they are at liberty to receive the whole or a part of their pay in cash, or to remit the whole, or any portion of the net sum they are entitled to receive, to whomsoever they please.

The accompanying forms and regulations for carrying this measure into effect, are to be carefully and punctually observed, and they are to come into operation on board Her Majesty's Ships at Home at the end of the quarter (30th June, 1857), commencing on the 1st April next. In ships on Foreign Stations they are to take effect at the end of the quarter in which they may be received, and the commencement of this new system in such ships is to be reported for their Lordships' information.

All the existing forms of bills for drawing the full pay of Naval Officers of every rank, and those for drawing Marine Officers' pay, are to be forthwith returned to the Storekeeper-General of the Navy, in order that they may be cancelled.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

Instructions for Preparing this Account.

1st.—The Officers' names are to be entered according to their rank, and not in the order in which they appear on the Ship's Books, so that each class of Officers may appear consecutively on the list.

2nd.—Care is to be taken that *all* the charges incurred within the period for which the account is made up, be deducted from the Officer's pay, and that no deductions, either of a prior or subsequent date, be included.

3rd.—The vacant spaces under the head of Deductions, are to be filled in with the words Clothing, Subscriptions, Per Centage on Cabin Furniture, &c., so as to describe the nature of the charge for which the deduction is made.

4th.—The columns of Gross Amount of pay, of Income Tax, and of Total Deductions, are to be totalled as well as those "Net Sum Payable," and "Amount paid by the Paymaster."

5th.—Should there be no objection to the payment, the authority for payment is to be modified accordingly, by excepting the Officer against whom such objection exists, and the case is to be immediately reported to their Lordships.

6th.—Payment is to be made in the presence of the Captain, who is to attest the account, stating in words the total sum actually paid.

(REGULATIONS FOR THE PAYMENT OF FULL PAY TO OFFICERS OF ALL RANKS IN HER MAJESTY'S NAVY AND MARINES.)

1.—The existing system of drawing Bills on the Accountant-General of the Navy for the Full Pay of Officers of the Navy and Marines, is to be discontinued.

2.—On the last day of every quarter, an account is to be prepared in duplicate, according to the annexed Form, showing the amount of Full Pay to which each Officer is entitled, and the deductions therefrom to which he may be liable, the net balance due to him, the amount he desires to remit, and the sum paid to him by the Paymaster; both copies are to be signed as originals, and one of them is to be retained on board the ship. Should any of the Officers be absent at the time of payment, their names are nevertheless to be included in the account, with a notation of the cause of their absence, and that they have not been paid.

3.—This account is to be divided into two parts for Naval Officers, one for the "Commissioned Officers," the other for the "Assistant Engineers, Warrant, and Subordinate Officers," and a separate account for Marine Officers.

4.—The account being prepared according to the directions printed on the Form, is to be carefully examined with the Ship's Books and Accounts by the Paymaster, and his Assistant, or, where there is no Assistant Paymaster, by the Pay-master and the Master, who are to sign a certificate of such examination. In small vessels not bearing a Paymaster, the account is to be examined and certified by the Assistant Paymaster and the Master or Second Master.

5.—As it can scarcely ever be necessary to prepare these accounts in a hurried manner, the Paymaster will be held responsible for the correctness of all the particulars inserted therein, the accounts are to be made up gradually and deliberately, so as to require but a small amount of labour to complete them at the end of a quarter.

6.—The Captain will, if he sees no objection, authorize the Paymaster to procure money and make the payments; if however he has an objection to the payment of any of the Officers, he will qualify his authority on the account accordingly, reporting his reasons for objecting to their Lordships for their decision.

7.—Whenever the ship shall be at a port where there is an Admiralty Accountant, the Paymaster is to procure the money from the proper Officer, otherwise by requisition on the Commissariat Chest. If neither of these means are available, then he is to draw the money by Bill of Exchange on the Accountant-General of the Navy, according to the Regulations of the Service.

8.—Payment is to be made in British coin, where it is procurable and current; if British money cannot be made use of, then payment is to be made in foreign coins at the fixed official rates.

9.—Every Officer may remit at the time of payment either the whole or a portion of the net amount he is entitled to receive; such remittances need not be in even money, nor are they limited in amount, so long as they are within the net sum payable to the Officer.

10.—Lists of these remittances are to be prepared for each account a day or two before the day of payment, in order that the Paymaster may be enabled to regulate his requisition for money accordingly.

11.—The remittance lists are to be transmitted to the Accountant-General of the Navy by the *very first* opportunity, to enable that officer to prepare and despatch the remittance Bills for payment.

12.—The quarterly accounts of Full Pay should, if ready, accompany the remittance lists; if not, they should be transmitted with the Paymaster's cash account for the month in which the payment took place, which, in every possible case, should be the last day of the quarter.

13.—Whenever an Officer is discharged *from one ship to another*, he is to be furnished with a certificate signed by the Captain and Paymaster of the ship he is discharged from, showing the date up to which he was last paid, and the nature and amount of the charges incurred by him since the last payment, in order that he may receive his pay on board the ship he is discharged into.

14.—Whenever an Officer is sent to Hospital or Sick Quarters, he may be paid the amount due to him up to the day he is sent sick (such payment to be entered in the Quarterly Account), and furnished with a certificate of the date to which he has been paid. If a further payment should become due while the Officer remains at sick quarters, he may be paid by the Agent under the approval of the Superintendent or Medical Officer in charge, who is to report such payment to the Admiralty by the first opportunity, and grant a certificate to the Officer of the time up to which he has been paid.

15.—Officers discharged to Half Pay are on no account to be paid by the Paymaster up to the date of discharge; they are to be furnished with the usual Pay Documents, in order that their accounts may be adjusted at this Office.

16.—Officers employed on detached duty, at a distance from the ships they belong to, are, on leaving the ship, to be furnished with the certificate mentioned in Article 13, by which means they may be paid by the Paymaster of any of Her Majesty's ships present, on producing such certificate to the Captain, who will give the necessary authority to the Pay

Digitized by Google

master, and acquaint the Captain of the ship to which the Officer belongs, in order that the necessary notation may be made on her books. He will also give a certificate to the Officer paid.

17.—Surgeons-Superintendents of Convict Ships, and other Officers not borne on any ship's books, but who are entitled to Full Pay, or such Officers referred to in the foregoing Article as may be in charge of Prizes, or employed on other detached service, when no such certificate can be obtained, are to draw bills quarterly for the amount due to them, in the common bill form, advising the Accountant-General of the Navy of every such bill.

18.—Officers entitled to allowances in addition to their usual pay, whether for Table Money, Surveying Duties, or on any other account, are to be paid the same not oftener than once a quarter, upon a separate account or statement, showing the nature of the allowances and every other necessary particular, but they are not to draw bills for such allowances in future.

19.—Nothing herein contained is to justify the payment of Half Pay under any circumstances whatever, without special directions.

SERGEANTS OF ROYAL MARINES GOOD CONDUCT PAY.

1.—The Lords Commissioners of the Admiralty having had under consideration the provisions of a War Office Circular, No. 36, dated 16th January, 1857, relating to Good Conduct Pay; as well as the Admiralty Regulations on this head, dated 16th January, 1849,—by which the Extra Rates lapse on promotion to the rank of Sergeant; are pleased to direct that, from and after the 1st April, 1857, all Sergeants of the Royal Marines, now serving and all who may be hereafter promoted to that Rank, shall be allowed to retain, in addition to the established pay of their rank, the Good Conduct Pay of which they were, or may be, in possession at the date of their promotion.

2.—It is, however, to be clearly understood that, it is not intended to make applicable to the rank of Sergeant any of the provisions of the Good Conduct Regulations, by which a further increase of Good Conduct Pay may be obtained, nor to subject Sergeants to the forfeiture prescribed by those Regulations while holding that rank; but every Sergeant reduced will be subject to the conditions prescribed by Admiralty Circular, No 88, dated 28th July, 1831.

AGENTS OF TRANSPORTS.

At the Court at Buckingham Palace, The 25th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

WHEREAS there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 24th of this instant June, in the words following, viz.:—

"Whereas we are of opinion, that it would be desirable, for the benefit of Your Majesty's Naval Service, to hold out every encouragement to Commanders, Lieutenants, and Masters holding the appointment of Agent for Transports; and as these Officers are under existing Orders in Council, denied Sea-Time whilst serving in this capacity, which operates to their disadvantage in regard to Promotion and the increase of Half-Pay. We would, in all humility, recommend to your Majesty, that Commanders, Lieutenants, and Masters who may now be serving, and who for the future may be employed as Agents of Transports, shall be allowed to reckon such service as Sea-Time."

Her Majesty having taken the said Memorial into consideration was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

WHEREAS there was this day read at the Board a humble Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 8th of June instant, in the words following, viz.:—

"Your Majesty having been graciously pleased, by your Order in Council of the 14th May, 1846, to authorize the appointment of Quartermaster to each of the Divisions of the Corps of Royal Marines, but for which class of Officer no provision for Half-Pay or Retirement has been made.

"And Whereas we have had under consideration Your Majesty's Royal Warrants, under which the several rates of Half-Pay and Retirement Allowance for Quartermasters of the Line, Artillery, and Engineer Corps are regulated; and we think it reasonable that the Quartermasters of the Corps of Royal Marines should, in consideration of the duty performed by them, as well as an encouragement to the Staff-Serjeants, and Serjeants of the Corps, from whom the Quartermasters are selected, receive a comfortable provision after protracted service, We do most humbly propose to your Majesty, that a rate of Half-Pay shall be established for this class of Officers according to the following scale, viz.:—

	s.	d.	
"Under 5 years' service as Quartermaster -	3	0	a day.

1. Separate Letters are to be written on separate subjects.

2. One sixth of the *first* page is to be left blank at the top, for the purpose of Official registration, and one fourth of every page is to be left blank as a margin.

3. The subject of the letter or report is to be briefly and conspicuously stated on the first page, as a heading.

4. Each paragraph is to be numbered.

5. Officers are to sign their names legibly, stating their ranks after their signatures.

6. No original Certificates are to be forwarded, but certified copies only. Baptismal and Marriage Certificates excepted.

7. All models or plans transmitted to this office, are to have the names and addresses of the persons who forward them securely affixed thereto; with a reference to the dates of the letters, or other explanatory documents, which may accompany them.

8. All enclosures are to be properly attached to their covering letter.

ISSUE OF CLOTHING, PRESERVED MEATS, &c., TO SICK MESS ON BOARD HER MAJESTY'S SHIPS.

My Lords Commissioners of the Admiralty being desirous that the money received on account of the Sick Mess shall be applied in the most advantageous manner for the benefit of the Sick on board Her Majesty's Ships, are pleased to approve of the Funds being expended for Extra Articles of Diet, and for such things as are not supplied from other sources, which the Surgeon may require for the comfort and cure of the Men in the Sick Bay.

It is, however, to be distinctly understood that as there is a provided allowance of Medicines for each Ship, which is found under ordinary circumstances to be sufficient, other Medicines than those included in the Established Scale are only to be purchased out of the Fund when really necessary.

Clothing in limited quantities, according to the annexed Scale, is to be furnished from Naval Hospitals to Her Majesty's Ships, and as Sick-Berth Attendants have recently had their pay increased, by Circular No. 294, no further sum is to be given to them.

In Ships where a Sick-Berth Attendant is not allowed in the complement the person performing this duty is to be granted the usual gratuity, provided he produces the requisite Certificate.

The following words in Article 7 of the Medical Officers' Instructions for Service Afloat, relating to the issue of Preserved Meats on Foreign Stations, are to be cancelled, "gratuitously in quantities of from two to six ounces per man per diem," and the Article, as amended, to stand thus—

"The Paymasters of all ships proceeding to Foreign Stations, are supplied with Preserved Meats, to be issued to such of the Sick and Convalescents on board, as may in the Surgeon's opinion stand in need of such refreshment.

"The Surgeon is, therefore, with the approval of the Captain, to demand of the Paymaster such quantities as he may from time to time require, as in the case of other Medical Necessaries."

The Accounts and Vouchers of the Fund, after having been approved by the Commanding Officer, are to be sent to the Secretary of the Admiralty (for the Medical Director General by the Surgeons, with their Annual Accounts, and it is expected that not less an amount will be returned on the paying-off of a Ship than was advanced on the Ship being Commissioned, unless anything extraordinary should occur, which is to be reported by the Medical Officers.

By Command of their Lordships,
R. Osborne.

(*Stamp Duty on Commissions, &c.*)

Admiralty, 12*th December*, 1857.

My Lords having had under their consideration the inconvenience which has hitherto attended the collection of the Stamp Duty on Commissions and Appointments, required to be paid under the Act 55 Geo. III., cap. 184, are pleased to direct that, on and after the 1st of January, 1858, the Commission or Appointment be forwarded to the Officer, if on Full Pay, under cover to the commanding Officer of the Ship or Vessel to which he has been appointed.

On the receipt of such Commission, or Appointment on board, the Paymaster of the Ship is to note against the Officer's name on the Ship's Books the value of the Stamp Duty with which he is chargeable, as shown upon the instrument in question, which sum is to be abated from the next payment due to the Officer, and inserted in the Quarterly Pay Account of the Ship.

The Stamp Duty is only to be recovered by deductions from Pay, and is not to be received in Cash by the Paymaster, otherwise the Officer will be liable to a double payment.

Officers upon Half Pay are to require the persons who pay them to stop the amount of the Stamp Duty; or if paid by Bill upon Her Majesty's Paymaster-General, it is to be abated on the face of the Bill, and the net amount only is to be drawn for.

No further payments on account of the Stamp Duty are to be made to the Chief Clerk of this Office after the 31st of this month.

STEERING BY SIGNS.

With reference to amended Circular, No. 244, dated 9th April, 1854, establishing certain directions for steering by signs, my Lords Commissioners of the Admiralty having reason to believe that it has been found difficult uniformly to carry out in all Her Majesty's Ships the regulations therein laid down, are pleased to direct that the Circular in question shall be considered as cancelled.

PAYMASTER AND CLERKS, R.N.

My Lords have had their attention called to the delay in rendering Ships' Books and Accounts from some of Her Majesty's Ships, and under the term "Accounts," they desire that it may be clearly understood that "Victualling and Clothing" accounts are included, as well as "Cash."

My Lords have revised the establishment of Assistant-Paymasters, Clerks, and Assistant-Clerks, allowed on board Her Majesty's Ships, including those employed in the Coast Guard Service, and they are satisfied that if the directions contained in the 18th and 20th Articles, chapter 1, of the Paymasters' Instructions, and in Circular No. 183, dated 3rd March, 1855, are strictly followed, the Office Staff on board each ship will be found fully sufficient.

The Commanding Officer is authorized to select a *Clerk or an Assistant-Clerk*, to assist him in his correspondence, and for such other clerical duties as he may require; but my Lords apprehend that the whole of the time of such Clerk or Assistant-Clerk may not always be so occupied, and that a portion thereof should therefore be available for office duties under the Paymaster, and the establishment for each ship has been fixed with that understanding. The Commanding Officer is therefore to direct that the whole of the time of the Assistant-Paymaster and other Clerks is to be at the disposal of the Paymaster, who is to employ them in the supervision of the victualling and clothing transactions, the receipt and issue of all such stores, as well as in keeping and making up the accounts, books, and documents appertaining thereto, without which it is scarcely possible they can gain sufficient knowledge to pass the necessary examination as to the general duties required of a clerk in the mode of keeping ships' books

and accounts, the allowance of provisions to the Fleet, and the mode of issuing the same.

Under this arrangement and subdivision of business, it is evident that the Paymaster will have more time to superintend the general duties of his office and stores, although he will be still held responsible for the general accuracy of the ship's books and accounts, as well as the economical expenditure of provisions and clothing.

To ensure due obedience and attention to these orders, my Lords direct, that before the Captain fills up and transmits, the half-yearly return of the Assistant-Paymasters, Clerks &c., ordered by Circular No. 106, the Paymaster shall certify in writing to the Captain whether these officers have discharged their duties in a satisfactory and creditable manner.

A copy of the Report is to be inserted in the Muster Book.

As all account keeping will, under these Regulations, be done by the Paymaster, his Assistant, and Clerks, the Ship's Steward will attend to the ordinary duties required of him by the Paymaster, assisting in office duties only when specially directed on account of pressure or other cause.

With reference to Circular No. 239, now cancelled, my Lords desire that when no Assistant Paymaster, Clerk, or Assistant-Clerk is borne on the Ship's Books, although allowed in the complement, the Paymaster is to receive extra pay at the rate of 2s. 6d. per day. When the Office Staff is short of complement, and in cases of the continued sickness or absence of any Assistant-Paymaster or Clerk, the Captain may authorise the employment in the Office of any Petty Officer, Non-Commissioned Officer, Seaman, or Marine, competent to assist in the clerical duties, and to pay him extra pay of not more than 1s. 3d. per day, also in the case of performance of the official duties in small vessels.

DUTIES OF OFFICER IN CHARGE OF THE WATCH.

The attention of my Lords Commissioners of the Admiralty having been called to minutes of several Courts Martial, at which it has appeared, in evidence, that officers in charge of the deck when ships have been run on shore, have been ignorant of the neighbourhood of the land, and of the nature of the navigation in which the ships were situated at the time of such accidents, their Lordships are pleased to direct that the following instructions shall be substituted for Art. 2, chap. 6, at p. 202 of the Admiralty Instructions for Lieutenants, and for Art. 1, chap. 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains.

(To be substituted for Art. 2, chap. 6, at p. 202 of Admiralty Instructions for Lieutenants.

"On taking charge of a watch he is to make himself acquainted, as far as is practicable, with the supposed position of the ship, especially when approaching land, or in pilot water, and whether he may be likely to see any and what land or lights; he should also acquire any other information in his power, which may assist him in keeping the ship out of danger so long as he is in charge of the deck, and he is to be constantly on deck, until relieved by the officer who is to succeed him. He is to see that the men are alert and attentive to their duty; that every necessary precaution is taken to prevent accident from squalls or sudden gusts of wind; and that the ship is as perfectly prepared for battle as circumstances will admit. He is to be particularly careful that the ship be properly steered, and that a correct account be kept of her way by the log being duly hove, and by the leeway for each hour being marked on the log board, on which is also to be marked every occurrence worthy of notice, and any accident that may have occasioned the loss of any of her stores; and he is also to see that all signals made in the fleet are correctly minuted on the log board in such manner as the Captain shall direct; and he is, at the end of his watch, to sign the log board and the report of signals (if such be kept separately) with the initials of his name; and when the occurrences of the day have been entered in the log book he is to sign that also with the initials of his name, at the end of each watch which be kept."

(To be substituted for Art. 2, chap. 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains.

"When a ship is in pilot water, or in the vicinity of land, or rocks, or shoals, the Captain is always to take particular care, whether the Master or Pilot think it necessary or not, that the hand lead be kept constantly going, not only with a view of obtaining soundings, when they may be expected as a guide for conducting the ship, but also as a precaution against any mistakes of the pilot, or any irregularities of the tides; and it is to be kept going even in the most frequented channels, and the Captain is at all times to take care that the officer in charge of the deck shall pay particular attention to Article 2, chap. 6, of the Instructions for Lieutenants.

"If it shall appear that the ship has been run on shore, or brought into danger of being run on shore or wrecked, and that this order has been disobeyed, the Captain will be held responsible for the same; and in the event of the ship touching the ground, he is to transmit a statement of the whole circumstances of her getting ashore, with every particular as to the situation, and probable cause thereof, and the extent of damage the ship may have sustained."

UNIFORMS.

The Lords Commissioners of the Admiralty having had under their consideration the inconvenience to which Officers may occasionally be subjected by that part of the Regulations for Naval Uniforms, established by Circular 246, of 11th April, 1856, which prescribes that "On all special duties, such as Medical Surveys, Examinations of Candidates, &c., the undress uniform coat with epaulettes, cocked hat, and sword are to be worn," are pleased to direct, that on all such, and other ordinary occasions of duty, the frock coat, with cap and sword, shall be considered as the proper undress uniform for officers absent from their ships; but the undress coat, with *epaulettes*, is to be worn upon those occasions of ceremony for which the full dress uniform has not been already prescribed.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

D. 2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

B. 1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

A. 2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

F. While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of
I. Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat,
L. or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

M. 4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number no permanently exceeding 1200, viz:

1st. By the promotion of 50 Lieutenants by selection, as above stated.

Digitized by Google

R. 2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

This Order in Council provides—

G. 1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up. by selection also from the Active List.

K. 2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

N. Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up

COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG., 1840.

H. This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*s.* 6*d.* per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75*l.* per annum if otherwise entitled thereto.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 30TH JAN. 1816.

O. This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are presumed to be incapable of further service, and who are permitted to retire at a pension of 8*s*. 6*d*. a day, with the Rank of Commander. Their widows receive a pension of 60*l*. per annum.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 1ST NOV. 1830.

P. By this Order in Council the Board of Admiralty are authorized to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7*s*. a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

MASTERS RETIRED WITH THE RANK OF COMMANDER UNDER ORDER IN COUNCIL OF 19TH MAY, 1846.

Q. This List consists of 40 of the Senior Masters on the List, who have the option of receiving the Retired Rank of Commander, the first 20 at 12*s*. 6*d*. a day, and the rest at 10*s*. 6*d*. a day. Their widows are allowed pensions of 60*l*. a year, if otherwise entitled thereto.

N.B.—Masters at sixty years of age, who are qualified for 1st Rates, will be permitted to retire with the Rank of Commander, after 15 years' service on Full Pay as Master, and with the Rank of Captain after 20 years' service on Full Pay in the Rank of Master, but the amount of retirement will be fixed according to the Rate of Half Pay which they may have earned, by service as Master.

Masters above fifty-five years of age, and under sixty, who are totally disqualified by sickness or injuries contracted in the service, and rendered incapable of further service afloat, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CIRCULARS, &c.

CIRCULAR, No. 121.

Admiralty, June 14th, 1848.

[REGULATIONS FOR THE ENTRY OF BOYS AND MEN INTO THE NAVY—PAY—LEAVE—GRATUITIES—PENSIONS, &c., AND THE PAY OF WARRANT OFFICERS.]

My Lords Commissioners of the Admiralty have had under their consideration the question of the entry of men for the Royal Navy, together with a report from a committee of naval officers appointed to enquire into the subject.

Their Lordships are of opinion that it is highly important to give the Royal Navy a more permanent organization, both as a means of increasing its efficiency and discipline, and of substantially promoting the welfare and comfort of the petty officers and seamen of the fleet.

My Lords are desirous that the change in the existing system should be accomplished wholly by voluntary means. Seamen are therefore to be permitted, as at present, to enter for the customary period of service, and for particular ships; but by the future entry of boys for longer terms of continuous and general service, and by holding out the inducement of increased pay and other advantages, to men who volunteer to serve under the new system, their Lordships contemplate that a gradual and beneficial change will be introduced in the present mode of manning Her Majesty's Ships.

With this view they are pleased to direct that the following measures be carried into effect.

BOYS.

All boys under the age of 18, who hereafter enter the Navy, are to be required to enter into an engagement, according to the form. No. 95, to serve Her Majesty for a period of ten years continuous and general service from the age of 18, in addition to whatever periods may be necessary till they attain that age. If above the age of 18 when entered, they are to be required to engage for 10 years continuous and general service, from the date of first entry.

No boy is under any circumstance to be entered under the age of 14, or below the following standard of height.

Ages between	Stature. ft.	in.
14 & 15 not less than	4	8
15 & 16	4	10
16 & 17	5	0
17 & 18	5	2
After 18	5	4

Weight, though dispensed with as a qualification, is to be inserted, for information, in the reports of survey.

All officers entrusted with the important duty of entering boys, are strictly enjoined to use the greatest care and circumspection in ascertaining that they are in all respects fit for Her Majesty's Service, before they are entered. Previous to such entry being confirmed, a survey is to be held on them by two Captains, or Commanders, or one of each rank, and two Medical Officers; who are to certify, according to the form No. 95, to the boys being of perfectly sound and healthy constitutions, free from any physical malformation, or other defect, and to their being in all respects fit for the service.

A similar course of proceeding, as far as circumstances admit, is to be followed in the case of boys entered on foreign stations.

Outfit.—The sum of 40*s.* which is now required as an outfit for boys on their first entry, is, for the future, to be dispensed with.

Employment as servants.—All boys of the 2nd class, including boys from the school ships and from the Greenwich schools, may be employed as servants, when required, according to the usage of the service; but all officers in command are to take care that the employment of boys in this capacity does not, on any account interfere with their systematic schooling, instruction in gunnery, exercise aloft, and other branches of a seaman's duty; or in useful trades of which they may possess a knowledge.

Promotion to 1st class.—If a boy should be more than ordinarily active and well conducted, he may, at the discretion of his Captain, be promoted to the first class at the age of 16, provided he shall have been at least one year at sea.

Entry of 1st class Boys.—Although it is desirable that all boys who are entered in the 1st class should have been at sea, or accustomed to boats, such qualification is not to be considered indispensable, in the case of promising lads who are found in all other respects fit for Her Majesty's Service. The existing regulation for the instruction and training of 1st class boys, to qualify them for seamen, is to be strictly enforced.

Promotion.—Boys who produce proof of having been at least two years at sea, may, in special cases of good conduct and ability, be rated 2nd Class Ordinary, or Ordinary Seaman, according to their qualifications, after the age of 18. No person is to be retained in the rating of boy after the age of 20.

Discharge by purchase.—All boys of good character and conduct, whether entered for continuous service or otherwise, may be permitted to purchase their discharge according to the following scale; the amount being graduated according to their length of service, and the consequent expense that has been incurred on their education and training.

	£
Under 3 years service	20
After 3 and under 5 years	10
After 5 years service	12

Discharge of ineligible boys.—When a ship is inspected, or paid off, the Captain or Commanding officer, is to report the names of such boys as he may consider, from inferior stature, want of physical strength, or other valid cause, to be unfit to be retained in the service, in order that, after a special survey, they may be discharged.

Advantages of continuous service.—All the advantages granted for continuous and general service, as hereafter shown, are to be fully explained to the boys now serving, the option being left to them of accepting such advantages, or otherwise.

Increase of pay.—Boys who have entered for continuous and general service, are, when advanced to any of the under-mentioned ratings, to be allowed the following rates of pay, in addition to the present pay of the Royal Navy.

	Per calendar month of 31 days. *s.*	*d.*	Per annum £.	*s.*	*d.*
2nd Class ordinary seamen	2	7	1	10	5
Ordinary seamen	5	2	3	0	10
Petty officers leading and able seamen	7	9	4	11	3

They will also be eligible to be granted pensions after shorter terms of service than at present, as hereinafter specified

SEAMEN.

The above additional rates of pay are also to be allowed to all the petty officers, and seamen, as shown in the table of pay under the following conditions:—

1. To all men who volunteer for ten years continuous and general service.

2. To men who may hereafter enter the Navy for the first time for the usual period for which a ship is commissioned, and who afterwards volunteer, at any time before the ship in which they are serving is paid off, for such further periods as may be necessary to complete ten years continuous and general service from the date of their first entry. The increased rates of pay to commence from the date of their so volunteering.

3. To men who have already served in the Navy, or who are now serving, and who volunteer for not less than seven years further continuous and general service.

4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 20 years service from the age of 18; provided in the latter case, such period of continuous and general service to be completed be not less than five years.

5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 21 years from the age of 20.

6. Men who have once completed an engagement under any one of the foregoing conditions, will be entitled to the higher rates of pay by re-entry for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional rates of pay are only to be given for continuous and general service; and that pensions after 20 years total service from the age of 18, will be awarded only to men who have served under any of the foregoing conditions.

All men who engage for continuous and general service are to sign an agreement to that effect, according to the form, No. 95. They are to be distinguished on the ship's books by the letters C. S. (continuous service) being placed in Red Ink, immediately under their ratings, and the date of entry for continuous service is to be entered in the column for that purpose in the Ship's Books.

Servants, musicians, bandsmen, butchers, barbers, tailors, and sick berth attendants, and others, as stated in the table of pay in the appendix, are to be entered as at present, and are not to be considered as forming a part of the permanent Navy. No Pensioners are to be entered for continuous service.

Allotments.—The allotments of seamen who enter for continuous and general service, will remain in force during the period of their engagement, unless cancelled by themselves under existing regulations. All seamen riggers joining Ships are now to be allowed to make allotments on the day of entry.

Exchange of Seamen.—In carrying out the arrangements of the Naval Service under the new system of continuous service, the Commanders-in-Chief at home and abroad will afford facilities for the exchange of seamen to different ships whenever the public service will admit, but in all cases the sanction of Captains in command must be obtained; and such exchange will be permitted only to men of good character.

Extension of term of service.—The term of service for which a seaman shall hereafter enter may, as at present, be temporarily extended, in the event of any emergency, or necessity, which, in the opinion of the Lords of the Admiralty, or a Commander-in-Chief on a foreign station, may render such temporary extension requisite; and any man so detained beyond the term of his agreement, is to be entitled to 2*d* a-day, in addition to the pay of the rating which he may hold.

Period of service and leave.—It is to be generally understood, that when the public service will admit, the customary period of service abroad will not be exceeded; and that six weeks leave of absence will usually be granted on the return of ships to England, and further leave during each year, whenever the service will permit. When ships are put out of commission, or paid off, the continuous service men are to be entered as disposable supernumeraries on the books of the Flag Ship at the port: unless, prior to going on leave, they have been entered on the books of a sea going or other ship as part of complement.

In hospital at home.—Petty officers, seamen, and boys, entered for continuous service, who may be sent to hospital or sick quarters at home, will not be checked as formerly for time and pay at the end of 30 days, but will continue to have both; but after the expiration of the 30 days, petty officers and able seamen will be subject to a deduction of 10*d*. per day from their pay, ordinary seamen and 2nd class ordinary seamen, 8*d*. a-day, and boys 4*d*. per day, to be allowed against them on the Ship's books; and men in hospital, when at ship ashore for Foreign Service, are to be discharged to the Flag Ship's Books.

Leading-seamen.—As an inducement to seamen to render themselves proficient in all branches of their duty; my Lords are pleased to direct that a higher class of able-seamen be established, under the denomination of "leading-seamen," and with an additional pay of 2*d*. a-day each. To consist of men who are thorough helms-men, and leads-men, able to assist in repairing sails, and who are practical riggers, capable of doing duty as such in any part of a ship; to undergo an examination for the rating, conducted by the Commander, Senior Lieutenant, Master and Boatswain; to wear a badge of distinction, (according to pattern); to be exempted from corporal punishment, except by sentence of a court martial, or for mutiny; to be reduced for the committal of any grave offence in the same manner as petty officers, having been first deprived of any good conduct badges they may possess. The number of leading-men in each ship to be according to the schemes of complement annexed hereto. The increased pay of 2*d*. a-day is to be allowed without reference to a man entering for continuous service. Seamen-gunners of both classes, if duly qualified as leading seamen, are to receive the above 2*d*. a-day, in addition to their pay as seamen-gunners.

Shipwrights.—A new rating of "shipwrights" is to be established. One-third of the carpenter's crew is to be composed of this class. Shipwrights are to be granted 2*d*. a-day each in addition to the pay of the carpenter's crew, and tool money as at present, irrespective of their term of service. Their qualification is to be ascertained by examination, previous to their being so rated: if at a home port, the examination is to take place at the dockyard by such competent officers as may be selected by the superintendent; if on a foreign station, by three carpenters, when practicable.

Landmen.—The pay and duties of 2nd class ordinary seamen and landmen being identical, the latter rating is to be abolished.

Good-conduct badges.—Time served as 2nd class ordinary seamen is, prospectively, to count as time served as ordinary seamen, for the good conduct badge and pay.

Men absent without leave or imprisoned.—Men and boys who have absented themselves without leave, or who have wilfully overstaid their leave more than 48 hours are to forfeit their pay; but the allotment is not to be stopped during the period of their absence; and men or boys sent to gaol by the sentence of a civil magistrate for any offence committed within the United Kingdom or British Colonies, are likewise to be mulcted of their pay, during the period of their confinement; the amount of way forfeited is to be charged against them on the Ship's Books by the Captain; unless under special circumstances, to be represented by the Captain, the Lords Commissioners of the Admiralty, or the Commander-in-Chief on a foreign station, should think proper otherwise to direct. In all cases of mulct of pay, the circumstances are to be duly noted in the ship's log, and in the quarterly return of punishments. This regulation is not to interfere with the directions contained in the Queen's Regulations, Art. 5, page 103, relating to men absent without leave when a Ship is about to proceed to sea.

Conveyance of seamen to their homes when paid off.—On ships being put out of commission, every facility is to be given, consistently with the convenience of the service for conveying the men paid off to such of the ports, frequented by Her Majesty's Ships, as may be nearest to their places of residence.

Commander's servant.—Commanders, under Captains in rated ships, are to be allowed a servant; to be borne and paid as a second class ordinary seaman.

Seamen-gunners.—My Lords are of opinion that the system under which seamen-gunners are now entered requires modification, with a view both to its increased efficiency and extension. They are therefore pleased to direct, that men who may hereafter enter as seamen-gunners, be divided into two classes. 1st class men are to be entitled to an additional pay of 2*d*. a-day, and the 2nd class to an additional pay of 1*d*. a-day each, the pay in question to be granted according to their qualifications and irrespective of length of service. The 1st class to be eligible to be promoted to the situation of gunner's mates and gunners; the 2nd class should be held qualified to perform the duty of captains of guns.

The existing regulations relating to seamen-gunners who have already been entered for five years are to remain in force, except as regards men who volunteer for continuous service, and who may be deemed eligible for either of the above classes.

In entering men hereafter for the "Excellent" preference is to be given to those who volunteer for continuous and general service.

PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service, to establish a class of chief petty officers: they therefore direct that the following be established accordingly:

Digitized by Google

Chief Petty Officers.—Master-at-arms.
Chief gunner's mate.
Chief boatswain's mate.
Admiral's coxswain.
Chief captain of forecastle.
Chief quarter-master.
Chief carpenter's mate.
Seamen's schoolmaster.
Ship's steward.
Ship's cook.

Chief Petty Officers will be allowed the rates of pay stated a page 210.

Petty officers who enter for continuous service are to carry their denominations as chief, first, or second class petty officers from ship to ship; it being left open to the captains of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

Examination for the rating of petty officers.—Seamen, before being promoted to the rating of petty officer, are to be examined by the following officers:—the commander or senior lieutenant, master, gunnery lieutenant, and the warrant officer of the class required. In rating petty officers, a preference is to be given to men who have entered for continuous service.

The above officers are to sign the ticket of examination, which should be retained in the captain's office, appended to the description-book; to be produced to any flag or other officer who may muster or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for good-conduct gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

Rates.	Chief and 1st Class 7*l.*		2nd Class 5*l.*

,, 3rd Class	1	3	1	1
Sloops	1	3	1	1
Small Vessels.....	1	1	1	1

The long service medal-gratuity to 2nd class petty officers is to be increased from 7*l.* to 10*l.*

Petty officers and seamen who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 5 years' service in man's rating			£12
After 5 and under 7 years	,,	.....	10
After 7 and under 9	,,	.....	8
After 9 and under 10	,,	.....	5
After 10 and upwards, from the age of 18			free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 2*l.* upon the foregoing rates.

PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years service from the age of 18, instead of after 21 years service from the age of 20, as at present. Their Lordships also reserve to themselves a discretionary power of awarding pensions of 6*d.* a day each, after ten years service, from the age of 18, and pensions of 8*d.* a day each, after 15 years service from the same age, to all men now in, or who may hereafter enter the Navy, whenever their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years' service will be held liable, under the 13th clause of the Pensions Regulations (dated the 1st January, 1849), to serve again in the Navy if required, in the event of an armament, or war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system for which he entered, will not preclude his being granted a pension after 10 or 15 years combined service, whenever their Lordships shall think proper to grant pensions after those periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they shall have entered, and served for one continuous period of not less than ten years, unless invalided for wounds or hurts received on duty; that they shall have been discharged with the rating of petty officer; and that their character in such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of 1*l.* 10*s.* 5*d.* a year (in lieu of 1*s.* 2¼*d.*) for each year he may have served as such; and a 2nd class petty officer 1*s.* 2¼*d.* a year (in lieu of 7*s.* 7½*d.*) for each year served as such.

Summary.—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, my Lords desire that these advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

Pay.—Continuous service men will be entitled to the rates of pay stated at page 211.

Pensions.—Pensions will be granted after 20 years' service from the age of 18, instead of after 21 years from the age of 20; and as leave will be allowed when Ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 19 years actual service than they would have received under the present system for 23 years actual service.

Pensions may also be awarded after 10 and 15 years' service from the age of 18. Thus seamen may be granted pensions at the ages of 28, 33, and 38 respectively, instead of 43 or 44, the average age at which long service pensions are now awarded.

These pensions will range from 9*l.* 4*s.* a year to 40*l.* a year.

The allowance for time served as a petty officer will, in awarding pensions, be doubled to men who enter for 10 years continuous and general service.

Greater permanency will be given to a man's connexion with the Naval Service. On returning from leave he will be entered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of these officers be increased as follows:—

Sea Pay.

	Per day. s. d.	Per annum. £ s. d.
1st class	6 7	120 2 11
2nd class	5 8	103 8 4
3rd class.....	4 9	86 13 9

Harbour Service Pay.

	Per day. s. d.	Per annum. £ s. d.
1st class	5 7	101 17 11
2nd class	4 4	79 1 8
3rd class.....	3 6	63 17 6

Warrant officers who are still paid for particular rates of ships according to the regulations in force prior to the Order in Council of the 28th April, 1856, will be allowed the following increased scale of harbour service pay.

Digitized by Google

	Per day. s. d.	Per annum. £ s. d.
1st rate	5 7	101 17 11
2nd rate	5 2	94 5 10
3rd rate	4 9	86 13 9
4th rate	4 4	79 1 8
5th rate	3 11	71 9 7
6th rate	3 6	63 17 6

My Lords desire it may be distinctly explained to the warrant officers, individually, that in awarding the above liberal scale of pay, their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, by insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their Lordships' intention in this respect.

In the cases of officers of exemplary character and conduct, two years harbour service are, prospectively, to be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their approbation of the services of this deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and daring in the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may deem them, after undergoing an examination, entitled to receive, and competent to fill; and all warrant officers so promoted will be granted, respectively, the sum of 100*l.* as an outfit.

The additional pay of warrant officers is to commence on the 1st of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, their Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Coast-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Coast-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension, as if served in the Royal Navy; time served as chief and commissioned boatmen being subject to the rule laid down in the foregoing clause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in man's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of thoroughly good conduct.

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional pay.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Chief Petty Officers	Crown and Anchor encircled with Laurel.
1st Class Petty Officers	Crown and Cross Anchor.
2nd Class Petty Officers	Crown and Anchor.
Leading Seamen	The Anchor.

These regulations are to take effect on and after the 1st July next; except as regards men entering for continuous service on Foreign Stations, where they are to commence so soon as they are understood by the men, and they volunteer for continuous service; and all existing regulations not cancelled or modified by those now promulgated are to remain in force.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be filled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy

R. OSBORNE.

EXAMINATION FOR THE RANK OF LIEUTENANT

Admiralty, August 3, 1853.

With reference to Art. 21, Chap. 2, page 21, of the Admiralty Instructions, which provides that Mates, who have already passed their examination abroad, shall pass an examination at the Royal Naval College, within two months of their return to England, in order to entitle them to confirmation from the date of their first Certificate; and it appearing that some misapprehension has arisen on this point, and that it has been supposed that, provided a Mate passes within the specified period, it is immaterial whether he fail, or otherwise, in his first examination at the College; my Lords desire that, in future, it may be clearly understood, that Mates who have already passed abroad are at liberty to select either the 1st, 2nd, or 3rd examination day at the Royal Naval College, after their arrival in England: or, if belonging to a ship under orders to be paid off, on the 1st, 2nd, or 3rd examination day after having been so paid off.

If rejected on *any* examination day, officers will incur the forfeiture of 3 months' seniority in their rank as Mates, instead of being allowed to take seniority from the date of their passing in Seamanship; a second rejection will incur the forfeiture of 6 months' seniority, and a 3rd rejection 9 months (in the whole). All other cases will be dealt with specially by the Board of Admiralty.

The non-appearance of Officers for Examination at the times required by these Regulations will be considered as a tacit acknowledgment of their not being qualified, and will be dealt with in the same manner as if they had been actually rejected on each day on which they may have omitted to appear, viz.:—Non-appearance on the 3rd Examination Day will incur the forfeiture of 3 months' seniority; non-appearance on the 4th day, 6 months; non-appearance on the 5th day, 9 months; and all other cases of Mates not appearing must be specially reported to the Board for the decision of their Lordships.

By Command of their Lordships,
W. A. B. HAMILTON.

EXAMINATION FOR THE RANK OF LIEUTENANT AFTER FIVE YEARS' SERVICE.

No. 208. *Admiralty, 27th August, 1853.*

By their Lordships' Order of 3rd August, 1853, it is provided that a Mate, if rejected on *any* examination-day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his Rank of Mate for each occasion of his being so rejected, and also a corresponding penalty for each occasion of his failing to present himself to pass; the non-appearance of Officers being considered as a tacit acknowledgment of their not being qualified.

My Lords are pleased to direct that the same Regulations which govern the Seniority of Mates (whether rejected or failing to present themselves) shall be made applicable to Acting Lieutenants, who are to be deprived, in the same proportion as Mates, of three months in their Seniority as Lieutenants for each occasion of their being rejected, or failing to present themselves for examination.

In the event of any case occurring of an Officer being rejected more than three times, or of his failing to present himself on a 6th examination day after his arrival in England, (or if belonging to a ship under orders to be paid off, on the 6th examination after having been so paid off,) such cases will be specially dealt with by the Board of Admiralty.

The above regulations are to apply to the cases of Second Masters, and Officers promoted abroad to the rank of Acting Master.

By command of their Lordships,
(Signed) R. OSBORNE.

The Lords Commissioners of the Admiralty have directed, by an order dated December 1853, that the College Sheet is to contain questions on the Theory of Navigation and Astronomy, also on the prevailing winds and currents of the ocean, and on the practical application of the rules of navigation and astronomy to surveying and other Nautical purposes, in order to test the knowledge and qualifications of all Officers passing at the Royal Naval College.

EXAMINATION FOR THE RANK OF LIEUTENANT AFTER FIVE YEARS' SERVICE.

No. 819. *Admiralty, 29th March, 1858.*

The attention of the Lords Commissioners of the Admiralty has been called to irregularities which have taken place in the examination of midshipmen, who having completed five years service at sea, and having attained the full age of sixteen years, have presented themselves for examination in order to avail themselves of the advantages held out in Article 20 of the Circular, No. 283.

By that Article of the Regulations in question, it is provided that Midshipmen after five years service, and being sixteen years of age, may be permitted to undergo examinations in Seamanship, Gunnery, and Navigation, in accordance with the Regulations prescribed by the Circular, No. 283, and under those Regulations the Certificate to be granted to Candidates should be in accordance with the Forms No. II., III., IV., prescribed by Article 14 of the above Circular.

My Lords have observed that instead of adhering to these Instructions the Examining Officers have granted Certificates of Qualification to Candidates who have completed only five years service at sea, without requiring them to undergo the more stringent examination required by the Circular, and have entirely dispensed with the prescribed forms in granting the necessary Certificates of Qualification, thereby conferring upon Midshipmen already in the Service an advantage which was only intended to be conceded to those who were prepared to submit themselves voluntarily to the more stringent examinations.

My Lords therefore direct that Midshipmen who entered the service prior to May, 1857, and who may be willing to profit by the encouragement held out in the Circular, No. 283, are to be granted Certificates of Qualification in those cases only in which they may be found to be qualified in accordance with the Regulations of the Circular, and such Certificates are to be in the Forms No. II., III., IV., as already directed.

It is also to be observed that Midshipmen who have completed only five years service will not be permitted when in England to receive Acting Appointments as Mates, until they have undergone all the examinations required in Seamanship, Gunnery, and Navigation, after which their seniority as Mate (provided they have not been rejected) will date from their Certificate of Qualification in Seamanship.

The Certificates in Seamanship of Candidates after five years service, who may be examined provisionally, or before three Captains when ship-sail, are also to be in accordance with the Circular No. 283, and the examinations in Gunnery and Navigation are to be conducted also by three Captains, with the assistance, when practicable, of a Gunnery Officer and a Naval Instructor, and the Certificates are to be in the proper forms, although the two latter Examinations will be required to be repeated at home on board the "Excellent," and at the Royal Naval College.

It is to be clearly understood however that the Form of Certificate required, and the orders herein prescribed, are not to be considered as applicable to Midshipmen who may be examined as hereinbefore, after the completion of six years in Seamanship is to be accompanied by separate Certificates stating that the Candidates have been examined in Gunnery and Navigation, and also stating the opinion of the Captains upon their proficiency and qualification in each. Candidates passing abroad after the completion of five years service are to be cautioned that they will be expected to appear for Examination in Gunnery on board the "Excellent," at the first examination after their arrival in England, and failing to do so will be entitled to Seniority in Seamanship only from the date of their completing six years service at sea.

By command of their Lordships,
HENRY CORRY.

CIRCULAR, No. 220.

Admiralty, 30th March, 1853.

(EXAMINATION FOR THE RANK OF LIEUTENANT.)

By their Lordships' order of the 3rd August, 1854, it is provided that a Mate, if rejected on any examination day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his rank as Mate for each occasion of his having been so rejected, and also a corresponding penalty for each occasion of his failing to present himself within the period prescribed by the Regulations, the non-appearance of officers being considered as a tacit acknowledgment of their not being qualified.

With reference to the order above referred to, my Lords direct that in all future cases of an officer having allowed two or more examination days to elapse (beyond the period limited by the Regulations), without presenting himself to pass at the Royal Naval College, such officer shall not be allowed to undergo his final examination except by a special order from their Lordships.

In the event, therefore, of an officer not having presented himself to pass on or before the fifth examination day after his arrival in England, or (in the case of his belonging to a ship under orders to be paid off), on the fifth examination day after having been so paid off, he is to report to their Lordships the cause of his non-appearance, which, if his explanation should prove satisfactory, he will be allowed to present himself for examination on the next passing day; but if his explanation should prove unsatisfactory, his name will be removed from the list of the Navy.

In cases also of an officer having been rejected at the College on one occasion, and having neglected to present himself to pass on two other occasions; or in cases where an officer may have been rejected twice, and have failed to appear for examination on a third occasion, such officer is on no account to be allowed to pass without application to, and special permission from their Lordships, and in the event of his explanation proving unsatisfactory his name will be removed from the List.

In cases of officers applying for permission to pass as required by this Regulation, he is to state in his application the name of the ship or ships in which he may have served since the date of his having passed in seamanship, and also the date of his arrival in England. Should he have returned to England on more than one occasion after his passing in seamanship, he is to specify the date of each former arrival.

In future, a third rejection at the Royal Naval College; or three non-appearances, or three cases of rejection and non-appearance combined, unless satisfactorily accounted for, will entail an officer's removal from the List of the Navy.

N.B.—The above Regulations are also to apply to officers promoted abroad to be acting Lieutenants, as well as to the cases of second Masters, and to officers promoted abroad to the rank of acting Master.

By command of their Lordships,
H. Corry.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR No. 224.

Admiralty, 4th May, 1853.

RESIDENCE OF ACTING MATES AND ACTING LIEUTENANTS AT ROYAL NAVAL COLLEGE.

My Lords Commissioners of the Admiralty being of opinion that it would be highly conducive to the advantage of Her Majesty's Service, as well as to the interests of young officers, if acting Mates and acting Lieutenants were to be received into the Royal Naval College at Portsmouth while preparing to pass their final examinations; their Lordships have been pleased to make arrangements by which officers so preparing to pass, will in future be received into that Establishment, under the following Regulations.

1. They will be borne on the Books of H.M.S. "Excellent" as supernumeraries for victuals only, and will be checked to the Royal Naval College with an allowance of 1s. 6d. a day in lieu of provisions. Officers on full pay, will be checked of their provisions on board their respective Ships while at the College, and those not belonging to a Ship will receive the benefit of the allowance.

2. As many officers as can be accommodated with cabins, will be required to reside entirely in the College. Officers who cannot be so accommodated, will be allowed to sleep out until cabins are vacant for them, but they will be expected to take their meals at the College Table.

3. Officers will be expected to be within the walls of the College by half-past 9 o'clock in the evening. In the event of any infringement of this rule occurring, a report of it will be made of it in the morning to the Captain Superintendent, who will take such steps as he may think right to prevent a recurrence of the irregularity.

4. The Library will at all times be open to officers subject to the rules now in force, but no Books are to be taken out of it.

5. The Study of the permanent officers is reserved for their exclusive use until 4 P.M. After that hour it may be used by other Officers studying in the College until lights are put out in the evening. The Library, however, may at all times be used for the purposes of study.

By command of their Lordships,
W. G. Romaine.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

[*Examination of Masters, and Second Masters.*]

Admiralty, December 17th, 1849.

The Lords Commissioners of the Admiralty having had under their consideration the present Regulations for the examination of Masters and Second Masters of Her Majesty's Fleet, as defined by art. 21, chap. 2, p. 22, and art. 25, chap. 2 p. 25, of the printed Instructions, have been pleased to direct that on and after the 1st of January next, the following Regulations shall be adopted, viz.:—

All Officers passing for the rank of Master or Second Master (or Officers from the Merchant Service who are Candidates for those ranks, under the Queen's Regulations, art. 6, chap. 3, p. 24) shall be examined in Seamanship, either at home or abroad, by one Captain or Commander, and three Masters, and after having received a Certificate of having passed such Examination, they shall undergo their Examination in Navigation at the Royal Naval College (instead of the Trinity House), under the same regulations and at the same period, as Mid-shipmen passing for Lieutenants; but the Examination for Pilotage is to be conducted at the Trinity House, under the rules and regulations at present in force, but subsequent to the above mentioned examinations. Having completed the above examinations they will be considered eligible for the rank of Master in the Royal Navy, provided they shall have served the time required by the Queen's Regulations.

The Seniority of Second Masters (or of Candidates for the rank of Master) is in future to reckon from the date of their passing in Seamanship for that rank, provided they shall subsequently pass in Navigation at the Royal Naval College, on the first, second, or third Examination day following, either of which days they are at liberty to select; or, in the event of an Officer having previously passed *abroad* in Seamanship, he is at liberty, after his arrival in England, to select either the first, second, or third Examination day at the Royal Nava College; or if belonging to a ship under orders to be paid off, on the first, second, or third Examination day after having been so paid off, when, if he shall succeed in passing, he will be allowed seniority from the date of his having passed abroad. But no Second Master (or Candidate for the rank of Master) will be allowed such seniority who shall fail in passing at the Royal Naval College at the *first* trial, or who shall not pass at the Trinity House within a month after his having passed in Navigation.

Officers appearing before the Trinity Board for the purpose of passing in pilotage must be qualified to take charge, as Pilot, of any of Her Majesty's frigates for the Coast and Ports for which Masters have hitherto been examined; and when they shall have served three years at least in Frigates or Sloops, they may be further examined as to their qualifications to take charge of Line-of-Battle Ships, but in this examination it will be required that they pass for the largest description of First-Rates. In the event of an Officer serving abroad as Acting Master of a Line-of-Battle Ship, the time so served may reckon as part of the aforesaid three years.

The Class of Ship of which Officers are capable of taking charge as Pilots will be stated in the Certificate granted to them by the Trinity House.

All Officers desirous of being examined in Pilotage at the Trinity House, either for the rank of Second Master, or as to their qualifications to serve as Masters of Frigates, or of Line-of-Battle Ships, should present themselves at the Admiralty, bringing with them a Certificate of their Birth, and also their original Certificates for the entire period they have been employed in Her Majesty's Service, or in Merchant Ships, in each of which Certificates the word Sobriety must be included. Similar Certificates must be produced by Officers presenting themselves to pass in Navigation at the Royal Naval College.

By command of their Lordships,
JOHN PARKER.

To all Flag Officers, Captains, and Commanding Officers, of Her Majesty's Ships and Vessels.

VII. Art. 21, page 217; and the half-yearly Report, or Form No. 224, is to show the advancement made by them from time to time.

6. On a Ship being paid off, Masters' Assistants will be entered on the Books of a Guard-Ship, for such time as their Lordships may direct, or until selected for another appointment, provided they possess good Certificates, and are recommended by their Commanding Officer.

7. Masters' Assistants, when they have completed their regulated period of servitude, and have passed their examinations for Second Master, will be placed on the List of the Navy in that rank, and will if employed receive the commission and pay of a Second Master (being borne in lieu of Masters' Assistants, if there should not be vacancies for Second Masters in the Ships in which they may be serving); but they will not be eligible for promotion to the rank of Master until they shall have served two years further in the capacity of Second Master.

8. Masters' Assistants passing abroad in Seamanship, and temporarily in Navigation and Pilotage, are to be appointed by their Commanders-in-Chief, or by their Commanding Officers, to be acting Second Masters, in the same manner as is provided for Midshipmen to be rated Acting Mates when they pass their examination for Lieutenant, but they must be borne in lieu of Masters' Assistants.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in the manner one Petty Officer or Non Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross, shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if

he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
PANMURE.

MEMORANDUM.

Admiralty, 20 June, 1851.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

The attention of Officers is called to clause 4 in the said Memorandum.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships, W. A. B. HAMILTON.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN OF THE BRITISH COLONIES.

1. Privileges in the acquisition of Land are at present allowed to Military and Naval Officers in the Colonies of New South Wales, Victoria, Van Diemen's Land, South Australia, Western Australia, New Zealand, Ceylon, and the Cape of Good Hope. As, however, the control of the waste Lands of the Crown in New Zealand is vested in the Legislature of that Colony, it must be distinctly understood that Her Majesty's Government cannot guarantee the continuance of the following regulations, but that they will be liable to be altered or discontinued by the local Legislature; and the same caution will be applicable to any other of the Colonies named, in which the same control may hereafter be transferred to the local Legislature.

The same privileges are extended to Officers of the East India Company's Service in Van Diemen's Land.

2. In the above-named Colonies land is disposed of by sale only; but Officers purchasing land are allowed a remission of the purchase-money, according to the undermentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 600*l.*

Field Officers, of 20 years' service and upwards, in the whole 500*l.*

Field Officers, of 15 or less years' service, in the whole 400*l.*

Captains, of 20 years' service and upwards, in the whole 400*l.*

Captains, of 15 years' service or less, in the whole 300*l.*

Subalterns, of 20 years' service and upwards, in the whole 300*l.*

Subalterns, of 7 years' service and upwards, in the whole 200*l.*

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule:—but Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and mates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, Officers of the Army and Navy on full or half pay, should provide themselves with a certificate from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master-General of the Ordnance, shewing that their settlement in a British Colony has been sanctioned, and stating their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. This Certificate will not on any account be issued more than once to the same Officer, or to any Officer on half-pay who shall for two years immediately preceding the date of this Notice have resided in the Colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of Land. This rule, however, is not to affect Officers who, having obtained permission to settle in a British Colony, have quitted the service for the purpose of doing so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of one of the abovenamed Colonies, which shall be sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the Regulations being to encourage the permanent settlement in the abovenamed Colonies of Military and Naval Officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, Officers will not, for the space of two years from the making out of their Certificates, receive a Crown Grant for any Land purchased by such Certificate, but will, in the meantime, receive a "Location Ticket." At the expiration of two years, the Officer, on shewing to the satisfaction of the Governor that he is *bonâ fide* a resident Settler in the Colony, and has so resided continuously since receiving his "Location Ticket," will be entitled to a Crown Grant in exchange for it. If, however, application should not be made for the exchange of the "Location Ticket" within 12 months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the Land will be open to sale or grant. In case of the Officer's dying while holding a "Location Ticket," the land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "Location Ticket" is obtained, the Governor of the Colony is authorized to make the Certificate available in favour of the Child or other nearest representative of the deceased Officer, as he may find advisable.

7. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l.* per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price; these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

8. In Ceylon, land is sold by auction at an upset price which is to be fixed by the Governor, but which is not to be less than 1*l.* per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

9. At the Cape of Good Hope the upset price is two shillings per acre in the old Colony, and four shillings per acre in the district of Natal.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Mates in the Royal Navy shall rank with Ensigns in the Army, and Mates of 3 years standing with Lieutenants in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships, J. PARKER.

ORIGINAL CERTIFICATES AND PAPERS.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

By Command of His Royal Highness, J. W. CROKER.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council bearing date the Twenty-ninth day of March, One thousand eight hundred and fifty-four, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of the Emperor of all the Russias, his subjects or others inhabiting within any of his countries, territories, or dominions (save and except any vessel to which Our licence has been or may be granted, or which have been directed to be released from the embargo, and have not since arrived at any Foreign port), so that Our fleets and ships shall and may lawfully seize all ships, vessels, and goods belonging to the Emperor of all the Russias, or his subjects or others inhabiting within any of his countries, territories, or dominions, and bring the same to judgment in any of the Courts of Admiralty within Our dominions duly authorized and required to take cognizance thereof, We do hereby order and direct that the net produce of all such Prizes taken by any of Our ships or vessels of war (save and except when they shall be acting on any conjunct expedition with Our Army, in which case we reserve to Ourselves the division and distribution of all Prize and Booty taken, and also save and except as hereinafter mentioned), shall be for the entire benefit and encouragement of our flag-officers, captains, commanders, and other commissioned officers in Our pay, and of all subordinate, warrant, petty, and non-commissioned officers, and of the seamen, marines, and soldiers on board Our said ships and vessels at the time of the capture, after the same shall have been to Us finally adjudged lawful Prize.

Whenever any Prize shall be taken by any of our fleets squadrons, ships, or vessels of war while acting in conjunction with any fleets, squadrons, ships, or vessels of war belonging to any other power or powers in alliance with Us, Our High Court of Admiralty, or the Vice Admiralty Courts within our dominions adjudicating thereon, shall apportion to such ally or allies a share or shares of the proceeds of such Prize or Prizes proportionate to the number of officers and men, &c. present and employed on the part of such ally or allies as compared with the number of officers and men, &c. present and employed on our behalf in such capture or captures, without reference to their respective ranks, and the share or shares so set apart for such ally or allies shall be transmitted to such persons as may be duly authorized on behalf of such ally or allies to receive the same.

Ships or vessels, being in sight of the Prize, as also of the captor, under circumstances to cause intimidation to the enemy and encouragement to the captor, shall be alone entitled to share as Joint captors.

After having decided the portion set apart as aforesaid for our allies, a distribution so far as regards Her Majesty's forces, shall be as follows:—The flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be serving together, the chief shall have two thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy by any ship or vessel which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, no flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when any ship or vessel under orders from the Lord High Admiral or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any Prize taken by the inferior flag officer before he has arrived within the limits of that station unless the inferior officer shall have received some order directly from and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any Prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed), shall have no share in Prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

any station shall not share in any Prize or Prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said Commissioners to take the command of that station in which the Prize or Prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the twentieth part of Pr zes taken, whether he be commanding in chief or serving under command.

The first captain to the admiral and commander-in-chief of our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in Prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any Prize or Prizes who shall have more commissions than one shall be entitled only to shares in such Pr ze or Prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to other officers it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from or be acting in the execution of some order issued by some other flag officer, duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly taking any Prize from the enemy, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceed—except that if the single capturing ship be a rated ship, having a commander under the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under a captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall this have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

Sir,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

REGULATIONS WITH REGARD TO THE MESS ACCOUNTS OF MATES AND SUBORDINATE OFFICERS

Admiralty, 10th March, 1856.

My Lords Commissioners of the Admiralty having reason to believe that a sufficient check has not been imposed in some of Her Majesty's Ships to prevent an extravagant mode of living in the Messes of Mates and Subordinate Officers, desire to call the attention of the Captains and Commanding Officers of Her Majesty's Ships to Chap. 5, Sect. 2, Art. 6, page 94, of the Admiralty Instructions.

My Lords further direct that in future the Mess Accounts of the Mates and Subordinate Officers of Her Majesty's Ships shall be subject to inspection, with all necessary Vouchers, by a Lieutenant, Paymaster and Naval Instructor (when there is one on board) of the respective Ships, and shall be afterwards submitted to the Captain or Commanding Officer for his approval or otherwise. The Captain is to order this Inspection to take place at the close of each Quarter of the Year, and the Inspecting Officers are to report to the Officer in Command the names of those Officers who may not have paid their Mess expenses, or who may have been the cause of any extravagance in the Mess; also, if there are any outstanding liabilities, and to what extent; and the Captains and Commanding Officers are to regulate the amount of entrance money and monthly payments on such a moderate scale as they may consider fit and proper, and the circumstances of each Ship and Station may require, and as the pecuniary means of the Officers may enable them to contribute.

The Captains and Commanding Officers are to report to the Commanders-in-Chief, for their Lordships' information, whenever the Mess Accounts are found to be in an unsatisfactory state, with all the circumstances which may have led thereto.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

EXAMINATION OF SCREW PROPELLERS.

Admiralty, April 4th, 1856.

The practice of raising Screw Propellers for the purpose of examination being sometimes neglected for too long a period, My Lords desire the Captains and Commanders of all Steam Ships and Vessels fitted with trunks and apparatus for raising Screw Propellers to cause the Screw to be raised at least once a month, or after steaming a distance of two thousand miles, and the result of the examination inserted in the Engine Room Register, and in the Three-Monthly Report of the State of the Engines.

Whenever there are no surfaces of iron exposed to the action

of the water, the Screw should be kept shipped, and not suspended in the trunk; but, if there should appear to be any particular reason to justify a deviation from this course, the Screw should be lowered at least once a month, and turned round by the engine, or by the turning gear, to ascertain that the fittings are in all respects in working order; when the result, and the particular circumstances that rendered it desirable to keep the Screw unshipped, are to be recorded in the register and periodical return above specified.

CRIMEAN MEDAL.

Admiralty, May 1st, 1856.

Her Majesty having been graciously pleased to signify Her intention of granting the "Sebastopol" Clasp to the Officers and Crews of Her Majesty's Ships employed in co-operation with the Land Forces in the reduction of Sebastopol, as well as a Clasp, bearing on it the word "Azoff," to the Officers and Crews of Her Majesty's Vessels employed in the Sea of Azoff, the Lords Commissioners of the Admiralty hereby give notice of the same.

The period for which the "Sebastopol" Clasp is to be awarded, for service as aforesaid, (save (as in the case of the Army) from the 1st of October, 1854, to the 9th of September, 1855.

The "Azoff" Clasp will be awarded to the Officers and Crews of such Ships as served in the Sea of Azoff between the 23th of May, 1855, and the 9th of September, 1855, as well as to the Officers and Men who were employed in the Boats of Line-of-Battle Ships which took part in the operations against Taganrog, or elsewhere, within the Sea of Azoff.

In cases in which either Officers or Men have been engaged in any expedition or operation in the Sea of Azoff *after* the 9th of September, the period for which the "Azoff" Clasp is to be awarded will be extended to the 22nd of November, 1855. The service for which this Clasp is claimed must, in such cases, be duly certified as required by their Lordships' Circular Order of 26th March, 1856, No. 243.

R. OSBORNE.

MEN BORNE AS DISPOSABLE SUPERNUMERARIES.

Admiralty, 15th May, 1856.

Their Lordships' attention having been called to the hardships experienced by men borne for lengthened periods in Her Majesty's Ships, as Disposable Supernumeraries, and by their families, owing to their not receiving their wages, and not being permitted to allot while so borne, are pleased to direct that, as a general rule, the earliest opportunity is to be taken of putting such men into vacancies, as they occur, in the complements of Her Majesty's Ships, and, further, that Petty Officers and Seamen borne as Disposable Supernumeraries, for whom no vacancies can be found, shall, after being so borne for a period of not less than Three Months, be paid an even sum, on account of the wages due to them, care being taken that they are not thereby brought into debt, it being understood that these payments are to be applied by the men for the support of their families, as a substitute for an allotment.

Disposable Supernumeraries may also be paid Monthly Allowance, in addition to these Payments on Account, but care is to be taken that the proportion prescribed by Article 5, at page 4 of the Circular No. 163, be never exceeded.

The Payments on *Account*, with all other charges, are to be placed against the men's names on the Supernumerary List, and transferred, with them to the Ship of whose crew they may become a part, to be recovered on her Pay Book, and My Lords will hold the Captains and Paymasters of the Ships on board which the payments are made responsible for their being correctly charged on the documents by which the Supernumeraries are transferred to other Ships.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

PRECAUTIONS TO BE OBSERVED TO PREVENT ACCIDENTS WHEN SALUTING.

Admiralty, 30th May, 1856.

My Lords Commissioners of the Admiralty have to call the attention of Officers in command of Ships to the accidents which frequently occur in firing Salutes, in consequence of the Vent being stopped by the thumb in lieu of a properly fitted Vent Plug; and they desire that whenever it may be necessary to reload a Gun for the purpose of saluting, it may be run into a "taut breech" before the sponge is entered for sponging it, and that care be taken that the proper Gun's Crew are in their respective stations.

As a further precaution, the Worm is to be used before the Sponge.

(SALVAGE CLAIMS.)

With reference to the 485th section of the Merchant Shipping Act, 1854, My Lords Commissioners of the Admiralty are pleased to direct, that Circular No. 102 be cancelled, and that the Commanding Officers of Her Majesty's Ships and Vessels shall conform to the directions contained in the following Circular and the clauses of the Act subjoined thereto:—

1. All Officers in Command of Her Majesty's Ships are, as heretofore, to afford every possible aid to Vessels in danger distress, or in want of casual assistance.

2. When such services have been rendered, the Commanding Officer of the Ship is to transmit a full report of the whole circumstances of the case, with a copy of the Ship's Log, to the Commander-in-Chief, or Senior Naval Officer of the Station, for transmission to my Lords, whose written approval is requisite before any Officer in the Navy can raise a claim for Salvage, and such approval will not be given unless *really important Service, or Service accompanied with hazard, has been rendered.*

3. In cases where relays of men are sent for the purpose of affording assistance, and where a large portion of the Crew have been employed, the Salvage which may be awarded is to be distributed according to the provisions of the Prize Proclamation in force at the time, unless specially apportioned by the terms of any decree or award, or otherwise to be divided among the parties actually employed, as my Lords Commissioners of the Admiralty may direct.

4. All Officers are to use their best efforts to save, and protect property and stores, especially those belonging to the Crown, which may be on board any Vessel placed in circumstances of danger or distress; and, if necessary, to remove such stores to a place of safety.

5. Commanders-in-Chief, or Senior Officers in command, are to report all cases of assistance rendered, or claims raised, to the Secretary of the Admiralty.

(RE-ENTRY OF GREENWICH PENSIONERS FOR SERVICE IN HER MAJESTY'S SHIPS.)

Inconvenience having been occasioned in consequence of Greenwich Pensioners receiving their Pensions monthly or quarterly, in advance, and re-entering the Service prior to the expiration of the period for which they have been paid, thereby rendering it necessary, when not allowed to receive their pensions whilst serving, that the amount over-issued on account of Pension should be deducted from their Pay, my Lords Commissioners of the Admiralty are pleased to direct that all Pensioners, re-entering for Service in Her Majesty's Ships of War, be required to produce a Certificate from the Staff Officer of Pensioners of their district, showing the period to which the Pensioner has been paid, in order that the over payment, if any, may be charged against his growing wages, and reported to the Secretary of the Admiralty, that re-payments may be made to the War Department; and to prevent men, on offering themselves for entry, evading the fact of being Pensioners, the Staff Officers of Pensioners have been authorized to note on the Men's Parchment Certificates of Service the fact of their being Pensioners when the first payment of their pensions may be made to them.

(STEAM POWER NOT TO BE USED BUT IN CASES OF NECESSITY.)

My Lords desire to call the attention of all Officers in command of Her Majesty's Ships to Circular, No. 177, as well as to the Orders which have been given from time to time respecting the expenditure of Coals, and to impress upon them the necessity that exists of working their ships without the aid of steam, when the duty required can and ought to be performed under sail alone—not only on the score of economy, but for the important purpose of ensuring the efficiency of screw ships as sailing ships.

My Lords are therefore pleased to direct that in future the use of steam power shall not be resorted to when the service on which a vessel is employed can be satisfactorily performed without it; and that their Lordships may know whether this order has been duly observed, all Commanding Officers are, whenever steam is raised, to cause the same to be noted in the Log Book, together with their reasons for so doing, stating whether it be the emergency of the occasion, the necessity of performing the service with the utmost despatch, or other cause which, in their opinion, may justify their having recourse to steam power.

PAYMENT OF MARINES WHEN DISCHARGED FROM HER MAJESTY'S SHIPS TO HEAD-QUARTERS.

The attention of my Lords Commissioners of the Admiralty having been directed to the delay which occurs in settling with Marines on their rejoining Head-Quarters from Her Majesty's Ships, which, although unavoidable under the present arrangement, is productive of inconvenience, have been pleased to direct that in future, whenever a Ship is ordered to be put out of Commission, separate Lists of the Marines belonging to each Division shall be prepared by the Marine Officer commanding the detachment, and transmitted as soon as possible, through the Captain of the Ship, to the several Colonels-Commandant. These Lists are to contain the number of the Company to which the men belong, and correct information relating to their badges and classes so far as the same can be given on board the ship.

The Colonels-Commandant are to cause these Lists to be forthwith compared with the divisional records, in order that the requisite notations as to classes, badges, promotions, &c., may be made thereon, as directed by Circular No. 273; and when they are complete the Lists are to be transmitted without delay to the Accountant-General of the Navy for the purpose of adjusting the pay of the men, and issuing the necessary authority to the Divisional Paymaster for payment.

In ships which do not bear a Commissioned Officer of Marines, the Captain is to cause such Lists to be prepared by the Paymaster and his assistants, and transmitted as herein directed.

Whenever one or more Marines may be discharged to Head-Quarters from a Ship not paid off, their Pay Tickets or other Pay Documents are invariably to be sent with them to Head-Quarters, and the Colonels-Commandant are to cause them to be examined and completed, as directed by the Circular above quoted, before he transmits such Pay Tickets, &c., to the Accountant-General for assignment.

EXPENSE IN MESSES OF HER MAJESTY'S SHIPS.

My Lords Commissioners of the Admiralty have lately had reason to believe that much greater expense has been incurred by the Messes of Officers in some of Her Majesty's Ships than is sanctioned by the Rules and Custom of the Service; and, from complaints which have been made to their Lordships, that mess debts have not been liquidated at the proper time for payment by the Officers contracting them, and claims have consequently been made upon Officers who were subsequently appointed, to subscribe for the discharge of debts to which they had given no sanction.

My Lords have to call the attention of the Officers of the Fleet to these irregularities, in order that they may be avoided in future; and their Lordships desire that the Officers of the Ward Room will adopt such measures as will enable their Messes to be maintained with credit and comfort, and free from extravagance, and thus set a becoming example to the junior Officers.

In regard to the Gun Room Messes; my Lords have on several occasions had brought to their notice circumstances of extravagance and mismanagement, which have been caused by the unnecessarily high subscriptions, and the use of expensive wines and spirits, totally at variance with the custom of the Service and the pecuniary means of the Officers.

With a view of putting a stop to such irregularities, my Lords direct that the subscriptions to the Gun Room Mess shall never exceed the sum of *eight* pounds for entrance, and that the monthly subscriptions, including all extras, shall not be more than *thirty* shillings.

Their Lordships further desire that no wine, except port and sherry or wine of the same class and price, and no spirits, except the ship's allowance, be used in the Gun Room Messes.

No wine, spirits, or beer are to be received on board any of Her Majesty's Ships without the written approval of the Officer in command.

Their Lordships have also been led to believe that in some of Her Majesty's Ships Messmen, under the designation of *Stewards*, are still permitted to carry on the sale of provisions, wine, spirits, &c., to the Messes of the Officers as well as to the men, in direct contravention of the Admiralty Order of the 30th May, 1851. The attention of the Officers of Her Majesty's Ships is called to this subject, as nothing can tend so much to irregularity in a Mess, as well as to injury to the discipline of a ship, as to permit any person to make a traffic by the sale of provisions, spirits, &c., instead of the Messes being properly conducted by their caterers.

The Commanders-in-Chief and Senior Officers in command of Stations are hereby directed to take the necessary steps for carrying out these Orders.

By Command of their Lordships,

R. OSBORNE.

To all Flag-Officers, Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR No. 284.

Admiralty, May 20th 1857.

GOOD CONDUCT BADGES.

By returns from the Home Ports, it appears that from want of attention on the part of Officers in Command of Her Majesty's Ships the Good Conduct Badges, which were specially intended to be conferred as an honourable reward on those Seamen of the Fleet who have invariably conducted themselves with sobriety, activity, and attention, so as to deserve the character of "very good," have in many instances been granted without sufficient inquiry, or upon insufficient grounds, and not in accordance with the Circulars No. 46, of January, 1849, and No. 62 of May, 1850.

The Lords Commissioners of the Admiralty direct the attention of Officers in command of Her Majesty's Ships to the following irregularities:—

1. These Badges have been granted to Men who have not served the requisite period to entitle them thereto.

2. They have been granted to Men bearing only the character of "good" on their Certificates; no person being entitled to them unless with "very good" character.

3. The additional Badges have been given to Men who had not worn the previous Badges sufficiently long.

Their Lordships direct that an immediate investigation is to be made on board all Her Majesty's Ships, by mustering those Men who wear the Good Conduct Badges, and any Men not entitled to the same, in accordance with the Regulations now reprinted, are to be reduced, unless it be found that they have subsequently become entitled to them; this Order is to apply to all Men joining Her Majesty's Ships from the Shore, also to those in the Coast Guard Service, and a notation is to be made on the Muster Books, and on the Men's Certificates, of any changes which may be made.

My Lords desire that Officers in command of Her Majesty's Ships will also give attention to the new regulations wherein the Good Conduct Pay is now extended to the Petty Officers of the Fleet.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

Circular No. 46 of 16th January, 1849, and No. 62 of the 18th May, 1850, are cancelled with the exception of the New Ratings of Petty Officers.

Amended Regulations, relative to the Good Conduct Badges for the Seamen of the Fleet, Established by Her Majesty's Order in Council of the 15th January, 1849.

1. The Lords Commissioners of the Admiralty directed by their Circular No 46 that a distinctive Badge, having reference to length of service, and good conduct, should be established for the undermentioned ratings, to which an increased rate of pay of one Penny per day for each Badge should be attached; such Badge to be conferred, under the following Regulations, on all men filling the said ratings, who had invariably conducted themselves with sobriety, activity, and attention, so as to deserve the character of "very good;" and also on Seamen who might enter the Navy from the Merchant Service, and who could produce certificates of service therein of "very good" character and conduct.

Leading Seamen, Shipwrights, Second Captain of the Hold, Sailmakers' Crew, Blacksmith's Mate, Armourers' Crew, Carpenters' Crew, and Coopers' Crew, Painters,

Able Seamen, Yeoman of Store Rooms, Bandsmen, Sick Berth Attendant,

Stokers, and Coal Trimmers.

2. That any person holding any of the above ratings, when he shall have completed five years' service, exclusive of boy's time, will be eligible to claim one Good Conduct Stripe, and one penny per day, provided that during the last two years of that period he shall have invariably conducted himself with sobriety, activity, and attention, so as to deserve the character of "*Very good.*"

After ten years service he is eligible to claim two Stripes, and two pence per day, provided he has worn the First Good Conduct Badge continuously during the previous two years.

After fifteen years' service he is eligible to claim three Stripes, and three pence per day, provided he shall have worn the Second Good Conduct Badge continuously during the previous two years; provided always that in these respective cases he has maintained the same high character that entitled him to the First Badge.

3. With reference to the qualifications required of merchant seamen who may enter the Royal Navy the following regulations are to be observed:—

Any Able Seaman who shall have a combined Servitude in the Revenue or Merchant Service and Royal Navy of six years, exclusive of Apprenticeship time, shall be eligible to obtain the First Good Conduct Badge, provided he shall have completed a period of one year's service in the Royal Navy, immediately preceding the bestowal of the Badge, and shall have merited the character of "very good," and can further produce satisfactory certificates of very good conduct during his last two years' service in Merchant Vessels.

Any Able Seaman who shall have a combined servitude in the Revenue or Merchant Service and Royal Navy of eleven years, shall be eligible for the Second Good Conduct Badge, provided he shall have fulfilled the conditions specified in the foregoing Article.

Any Able Seaman who shall have a combined servitude of sixteen years in the Revenue or Merchant Service and Royal Navy, shall be eligible to wear the Third Good Conduct Badge, subject, as before, to the foregoing conditions.

4. When a man is discharged from one Ship to another, or is to be paid off, the Commanding Officer is to certify on his Parchment Certificate the rating he holds, his character, and the description of Badge he is entitled to wear, and the date of its having been conferred. But if he has not sufficient service to entitle him to a Badge, and his character has been "very good," and is recorded in the Parchment Certificate, such character is to be considered in his next Ship as a claim to the Badge and Pay, when he shall have served sufficient time to entitle him thereto, according to the foregoing regulations.

5. The circumstance of a man having worn the Good Conduct Badge will be considered in determining the amount of his Pension.

6. Men in the receipt of Pensions may be awarded the Good Conduct Badge, but are not to receive the additional Pay.

7. The first Good Conduct Badge is to be a stripe of gold lace, according to pattern.

The Second Good Conduct Badge is to be two stripes of gold lace.

The Third Good Conduct Badge is to be three stripes gold lace.

8. The Badge is to be worn on the upper part of the left sleeve of the Jacket, or Frock. With duck Frocks the Badge is to be of blue serge, instead of gold lace.

9. If any person, entitled to wear the Good Conduct Badge, shall commit any offence, for which the Captain or Commanding Officer shall consider that he should be punished by the forfeiture of one, or more, of his distinguishing Badges, and the Good Conduct Pay attached thereto; such offence shall be enquired into, under a Warrant, executed in the same manner as when corporal punishment is awarded, and the Captain or Commanding Officer shall cause the said person to

be deprived of one, or more, of the distinguishing marks, and the additional pay, according to the gravity of the offence, shall, in his judgment, merit; which circumstance is to be duly entered in the muster and logbook, and reported in the periodical returns, under the regulations at present established, for the discharging of Petty Officers; and the Badges and Pay so forfeited shall not be re-conferred until the expiration of at least one year from the date of forfeiture, and then only under circumstances of extreme good conduct. No man, so long as he is entitled to wear the Badge, shall be considered liable to corporal punishment, except in cases of mutinous conduct or for desertion.

HER MAJESTY having been pleased, by Her Order in Council of the 6th May, 1857, to extend to the Petty Officers of the Fleet the Good Conduct Pay established for Seamen by Her Order in Council of the 15th January, 1849:

MY Lords Commissioners of the Admiralty desire that Her Majesty's gracious intention be made known to the Petty Officers of the Fleet, and that the following Regulations be observed:—

1. Those Petty Officers now serving, and those persons who may hereafter be promoted to that rank, will be allowed, in addition to the Established Pay of their Ratings, the Good Conduct Pay to which they were entitled, and were in possession of, at the time of their having been so rated as Petty Officers.

2. This amount of Good Conduct Pay may be claimed by the respective Petty Officers who were formerly drawing such Good Conduct Pay as Seamen from the 1st of April, 1857.

3. The time served as Petty Officer cannot be allowed to count towards any further increase of the Good Conduct Pay.

4. Petty Officers who may serve ten or fifteen years may be awarded the Good Conduct Badges, although they can only be granted the Good Conduct Pay to which they were entitled when promoted.

5. Any Petty Officer guilty of irregularity of conduct, inattention to, or neglect of duty, may be deprived of one or more of the Good Conduct Badges and Pay, under the same rule as directed for Seamen in Clause 9 of the foregoing Regulations.

6. Any person dis-rated from the rank of Petty Officer for misconduct will forfeit all Good Conduct Badges and Pay; but by subsequent very good conduct during one year, he may be again granted one Good Conduct Badge with Pay, and the other Badges and Pay by subsequent service of one year between each Badge if entitled thereto under Clause 1.

7. The Gratuities allowed, on the paying off of Her Majesty's Ships, to the Petty Officers, by Her Majesty's Order in Council of 15th January, 1849, and make known to the Fleet in their Lordships' Circular No. 46, of the 16th January, 1849, will cease from this date.

8. As the benefit intended to be conferred by their Lordships upon the Petty Officers and Seamen of the Fleet, by the foregoing Regulations, will depend, in a great measure, upon the strictest impartiality being exercised in carrying them into effect, My Lords rely upon the Captains, and Commanding Officers of Her Majesty's Ships giving full force to their intention in this respect, and using the utmost care and circumspection in ascertaining the time served, as well as the character of the men selected for the Good Conduct Badge and Pay.

9. The weekly accounts, and quarterly returns, are to contain a statement of the number of Petty Officers and Seamen who have been granted the several descriptions of Badges and Pay.

10. In all cases where Good Conduct Badges are conferred a separate List is to be inserted in the Muster Book, in the following form, which is to be filled up at the time the Badge is granted, and the conferring of the Badge is likewise to be at once inserted with the Man's Character on his Parchment Certificate, and signed by the Captain.

At all Special Musters when the authority for all Discharges, &c., are examined the Mustering Officer is to inquire into and report upon the close observance of the regulations respecting the award of Good Conduct Badges to the Men.

(BONDS FOR PAYMASTERS).

Admiralty, 15th January, 1857.

Considerable delay having occurred in many instances in the execution of the Bonds required to be entered into by Paymasters and Assistant Paymasters whenever appointed to the charge of Paymasters' Stores on board Her Majesty's Ships, my Lords desire particular attention to be paid to the 30th and two following Articles in Chapter 1 of the Instructions for Paymasters, and they hereby notify that, in future, a Paymaster or Assistant Paymaster, prior to obtaining an appointment to a Ship, must state, by letter addressed to the Secretary of the Admiralty ("for the Comptroller of the Victualling"), that he and his sureties are prepared to give the necessary Bond immediately.

In every case of a Paymaster or Assistant Paymaster being appointed to the charge of Paymasters' Stores Abroad, the Commander-in-Chief is, before actually conferring the appointment, to require and receive from him a Letter containing his personal Bond and proposing his Sureties, and to forward the same, together with a notification of the appointment, by the earliest conveyance for their Lordships' information.

Those Officers who may neglect to comply with these directions, or may fail to complete their Bonds, will be liable to have the residue of their Full-pay and their Half-pay withheld during their Lordships' pleasure.

By Command of their Lordships,

R. OSBORNE.

5. A practical knowledge of the Elements of Plane Trigonometry, and its application to the Numerical Solution of Easy and Useful Problems.

As Drawing will prove a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

VI. If the Candidate succeeds in passing the required Examination, he will be at once appointed to a Training Ship at Portsmouth or Devonport, for a period of not less than three months for the purpose of instruction in the subjects contained in Sheet Nos. 1, as well as in the Rigging of Ships, Seamanship, the use of Nautical Instruments, &c.

VII. Quarterly Examinations will be held on board the Training Ship, when any Cadet, who may consider himself competent, may be examined in the subjects contained in Sheet No. 1, also, in the course of instruction, in the Rigging of Ships, Seamanship, &c., and if found qualified he will be appointed to a sea-going Ship.

VIII. If the Cadet does not pass the required Examination according to his age, before or at the quarterly Examinations after his entry into the Training Ship, as below specified, he will be finally rejected from the Service.

Age at the time of his entry in the Training Ship.	Quarterly Examination after his entry in the Training Ship.
14 years 6 months	2nd
14 years and under 14 years 6 months .	3rd
Under 14 years	4th

Or if a Cadet by indifferent conduct or idle habits on board the Training Ship shall show his unfitness for the Service, it will be the duty of the Captain to make a special report thereof to the Admiralty, in order that the Cadet may be at once removed from the Navy.

IX. No Cadet will be allowed to reckon more than three months of the period of his service in the Training Ship towards his future Sea Time.

X. When a Cadet shall have served the full period of eighteen months, including the three months' time in the Training Ship, he will be eligible for the Rating of Midshipman provided he passes the following examination, in which it is to be ascertained—

1. That he has kept up a knowledge of his former instruction.

2. That he is able to work a Day's Work by Tables as well as by Projection, to find the Latitude by observation of the Meridian Altitude of the Sun, Moon, and Star, Longitude by Chronometer, and to work an Amplitude.

3. That he understands and can explain the use of the Sextants and Azimuth Compass, and the mode of observing with them. At each Examination the Candidate will be required to show that his Sextant and other Instruments are in good order.

4. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of good conduct.

5. He will also be required to have a fair knowledge of steering and managing a Boat under Oars and Sail, of Knotting and Splicing, Rigging Lower Masts and Yards, &c., the use of the Hand and Deep Sea Lead, and also the Simple Exercise of the Great Guns.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam-Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X. and XII. are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship; and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters; that in Gunnery by a Gunnery or other competent Officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII. must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate, to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent, at the first Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in

Digitized by Google

his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X. and XII. are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years' service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 58, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the Knowledge of French; and the Regulations in regard to the rejection of Candidates shall equally apply to them. Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXII. With reference to Circular, No. 97, of the 9th December, 1851,—The foregoing Examination for the entry of Naval Cadets under 14 years of age shall be extended to Masters' Assistants, between 14 and 15 years of age, and the foregoing Examination for the entry of Cadets above 14 years of age shall be extended to Masters' Assistants between 15 and 16 years of age. The knowledge of Latin, French, and English History, will not be required of Masters' Assistants at these Examinations.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

PHYSICAL QUALITIES OF CONTINUOUS SERVICE MEN AND BOYS.

Admiralty, March 4, 1857.

In consequence of the size of Her Majesty's ships and their heavy armaments, my Lords Commissioners of the Admiralty consider it to be of great importance that the men entered for continuous service should be strong, able-bodied, and physically fit for the duties required of them. To ensure this object, my Lords are pleased to direct that no man be entered for continuous service unless upon a certificate from the Medical Officer of the ship for which he may desire to enter, approved by the Officer in command, stating that the man is strong, able-bodied, and in all respects physically fit for Her Majesty's Service.

A similar certificate is to be required in the case of boys before they are rated seamen for continuous service.

My Lords desire also to call attention to the provisions of Circular No. 121, of 14th June, 1853, under the head of "Discharge of ineligible Boys." The directions therein contained are to be rigidly adhered to, and all boys unfit for the service are to be discharged.

By Command of their Lordships,

PENSIONERS SERVING AFLOAT.

Admiralty, March 7, 1857.

My Lords Commissioners of the Admiralty are pleased to direct, that in future no increase of Pension is to be granted to Pensioners of Greenwich Hospital whilst serving in any of Her Majesty's ships, except in cases in which such Pensioners shall have been called upon to serve.

Claims to increase of pension will, however, be considered on the final discharge of Volunteer Pensioners from Her Majesty's Service.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR, No. 292.

Admiralty, March 18*th*, 1857.

(OFFICERS' FULL PAY BILLS.)

The Lords Commissioners of the Admiralty having determined to discontinue the present mode of paying the Officers of Her Majesty's Fleet by Bills of Exchange drawn by themselves on the Accountant-General of the Navy, and to substitute for it a periodical payment by the Paymaster of each Ship, I am commanded to make the same known for the general information of the Service.

My Lords desire me to call attention to the advantages that will result to the Officers from this change, which will have the effect of protecting them from loss, whether by discount or by exchange—it will relieve them from all trouble and uncertainty as to the negotiation of their Bills—it will ensure prompt and regular payment wherever the Ship may be, and it will protect the Officers from the inconvenience to which they are sometimes exposed by their bills being purloined or mislaid.

It is their Lordships' desire, in making this arrangement, that every Officer in the Fleet shall enjoy as much facility in receiving or remitting his pay as possible, and therefore they wish it to be understood, by Officers of all ranks, that at the time of payment they are at liberty to receive the whole or a part of their pay in cash, or to remit the whole, or any portion of the net sum they are entitled to receive, to whomsoever they please.

The accompanying forms and regulations for carrying this measure into effect, are to be carefully and punctually observed, and they are to come into operation on board Her Majesty's Ships at Home at the end of the quarter (30th June, 1857), commencing on the 1st April next. In ships on Foreign Stations they are to take effect at the end of the quarter in which they may be received, and the commencement of this new system in such ships is to be reported for their Lordships' information.

All the existing forms of bills for drawing the full pay of Naval Officers of every rank, and those for drawing Marine Officers' pay, are to be forthwith returned to the Storekeeper-General of the Navy, in order that they may be cancelled.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

Instructions for Preparing this Account.

1st.—The Officers' names are to be entered according to their rank, and not in the order in which they appear on the Ship's Books, so that each class of Officers may appear consecutively on the list.

2nd.—Care is to be taken that *all* the charges incurred within the period for which the account is made up, be deducted from the Officer's pay, and that no deductions, either of a prior or subsequent date, be included.

3rd.—The vacant spaces under the head of Deductions, are to be filled in with the words Clothing, Subscriptions, Per Centage on Cabin Furniture, &c., so as to describe the nature of the charge for which the deduction is made.

4th.—The columns of Gross Amount of pay, of Income Tax, and of Total Deductions, are to be totalled as well as those "Net Sum Payable," and "Amount paid by the Paymaster."

5th.—Should there be no objection to the payment, the authority for payment is to be modified accordingly, by excepting the Officers against whom such objection exists, and the case is to be immediately reported to their Lordships.

6th.—Payment is to be made in the presence of the Captain, who is to attest the account, stating in words the total sum actually paid.

(REGULATIONS FOR THE PAYMENT OF FULL PAY TO OFFICERS OF ALL RANKS IN HER MAJESTY'S NAVY AND MARINES.)

1.—The existing system of drawing Bills on the Accountant-General of the Navy for the Full Pay of Officers of the Navy and Marines, is to be discontinued.

2.—On the last day of every quarter, an account is to be prepared in duplicate, according to the annexed Form, showing the amount of Full Pay to which each Officer is entitled, and the deductions therefrom to which he may be liable, the net balance due to him, the amount he desires to remit, and the sum paid to him by the Paymaster; both copies are to be signed as originals, and one of them is to be retained on board the ship. Should any of the Officers be absent at the time of payment, their names are nevertheless to be included in the account, with a notation of the cause of their absence, and that they have not been paid.

3.—This account is to be divided into two parts for Naval Officers, one for the "Commissioned Officers," the other for the "Assistant Engineers, Warrant, and Subordinate Officers," and a separate account for Marine Officers.

4.—The account being prepared according to the directions printed on the Form, is to be carefully examined with the Ship's Books and Accounts by the Paymaster, and his Assistant, or, where there is no Assistant Paymaster, by the Paymaster and the Master, who are to sign a certificate of such examination. In small vessels not bearing a Paymaster, the account is to be examined and certified by the Assistant Paymaster and the Master or Second Master.

5.—As it can scarcely ever be necessary to prepare these accounts in a hurried manner, the Paymaster will be held responsible for the correctness of all the particulars inserted therein, the accounts are to be made up gradually and deliberately, so as to require but a small amount of labour to complete them at the end of a quarter.

6.—The Captain will, if he sees no objection, authorize the Paymaster to procure money and make the payments; if however he has an objection to the payment of any of the Officers, he will qualify his authority on the account accordingly, reporting his reasons for objecting to their Lordships for their decision.

7.—Whenever the ship shall be at a port where there is an Admiralty Accountant, the Paymaster is to procure the money from the proper Officer, otherwise by requisition on the Commissariat Chest. If neither of these means are available, then he is to draw the money by Bill of Exchange on the Accountant-General of the Navy, according to the Regulations of the Service.

8.—Payment is to be made in British coin, where it is procurable and current; if British money cannot be made use of, then payment is to be made in foreign coins at the fixed official rates.

9.—Every Officer may remit at the time of payment either the whole or a portion of the net amount he is entitled to receive; such remittances need not be in even money, nor are they limited in amount, so long as they are within the net sum payable to the Officer.

10.—Lists of these remittances are to be prepared for each account a day or two before the day of payment, in order that the Paymaster may be enabled to regulate his requisition for money accordingly.

11.—The remittance lists are to be transmitted to the Accountant-General of the Navy by the *very first* opportunity, to enable that officer to prepare and despatch the remittance Bills for payment.

12.—The quarterly accounts of Full Pay should, if ready, accompany the remittance lists; if not, they should be transmitted with the Paymaster's cash account for the month in which the payment took place, which, in every possible case, should be the last day of the quarter.

13.—Whenever an Officer is discharged *from one ship to another*, he is to be furnished with a certificate signed by the Captain and Paymaster of the ship he is discharged from, showing the date up to which he was last paid, and the nature and amount of the charges incurred by him since the last payment, in order that he may receive his pay on board the ship he is discharged into.

14.—Whenever an Officer is sent to Hospital or Sick Quarters, he may be paid the amount due to him up to the day he is sent sick (such payment to be entered in the Quarterly Account), and furnished with a certificate of the date to which he has been paid. If a further payment should become due while the Officer remains at sick quarters, he may be paid by the Agent under the approval of the Superintendent or Medical Officer in charge, who is to report such payment to the Admiralty by the first opportunity, and grant a certificate to the Officer of the time up to which he has been paid.

15.—Officers discharged to Half Pay are on no account to be paid by the Paymaster up to the date of discharge; they are to be furnished with the usual Pay Documents, in order that their accounts may be adjusted at this Office.

16.—Officers employed on detached duty, at a distance from the ships they belong to, are, on leaving the ship, to be furnished with the certificate mentioned in Article 13, by which means they may be paid by the Paymaster of any of Her Majesty's ships present, on producing such certificate to the Captain, who will give the necessary authority to the Pay

master, and acquaint the Captain of the ship to which the Officer belongs, in order that the necessary notation may be made on her books. He will also give a certificate to the Officer paid.

17.—Surgeons-Superintendents of Convict Ships, and other Officers not borne on any ship's books, but who are entitled to Full Pay, or such Officers referred to in the foregoing Article as may be in charge of Prizes, or employed on other detached service, when no such certificate can be obtained, are to draw bills quarterly for the amount due to them, in the common bill form, advising the Accountant-General of the Navy of every such bill.

18.—Officers entitled to allowances in addition to their usual pay, whether for Table Money, Surveying Duties, or on any other account, are to be paid the same not oftener than once a quarter, upon a separate account or statement, showing the nature of the allowances and every other necessary particular, but they are not to draw bills for such allowances in future.

19.—Nothing herein contained is to justify the payment of Half Pay under any circumstances whatever, without special directions.

SERGEANTS OF ROYAL MARINES GOOD CONDUCT PAY.

1.—The Lords Commissioners of the Admiralty having had under consideration the provisions of a War Office Circular, No. 36, dated 16th January, 1857, relating to Good Conduct Pay; as well as the Admiralty Regulations on this head, dated 16th January, 1848,—by which the Extra Rates lapse on promotion to the rank of Sergeant; are pleased to direct that, from and after the 1st April, 1857, all Sergeants of the Royal Marines, now serving and all who may be hereafter promoted to that Rank, shall be allowed to retain, in addition to the established pay of their rank, the Good Conduct Pay of which they were, or may be, in possession at the date of their promotion.

2.—It is, however, to be clearly understood that, it is not intended to make applicable to the rank of Sergeant any of the provisions of the Good Conduct Regulations, by which a further increase of Good Conduct Pay may be obtained, nor to subject Sergeants to the forfeiture prescribed by those Regulations while holding that rank; but every Sergeant restored will be subject to the conditions prescribed by Admiralty Circular, No 88, dated 29th July, 1851.

AGENTS OF TRANSPORTS.

At the Court at Buckingham Palace, The 25th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

Whereas there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 24th of this instant June, in the words following, viz.:—

"Whereas we are of opinion, that it would be desirable, for the benefit of Your Majesty's Naval Service, to hold out every encouragement to Commanders, Lieutenants, and Masters holding the appointment of Agent for Transports; and as these Officers are under existing Orders in Council, denied Sea-Time whilst serving in this capacity, which operates to their disadvantage in regard to Promotion and the increase of Half-Pay. We would, in all humility, recommend to your Majesty, that Commanders, Lieutenants, and Masters who may now be serving, and who for the future may be employed as Agents of Transports, shall be allowed to reckon such service as Sea-Time."

Her Majesty having taken the said Memorial into consideration was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

QUARTER-MASTERS OF ROYAL MARINES.

At the Court at Buckingham Palace, The 25th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

Whereas there was this day read at the Board a humble Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 8th of June instant, in the words following, viz.:—

"Your Majesty having been graciously pleased, by your Order in Council of the 17th May, 1846, to authorize the appointment of Quartermaster to each of the Divisions of the Corps of Royal Marines, but for which class of Officer no provision for Half-Pay or Retirement has been made.

"And Whereas we have had under consideration Your Majesty's Royal Warrants, under which the several rates of Half-Pay and Retirement Allowance for Quartermasters of the Line, Artillery, and Engineer Corps are regulated; and we think it reasonable that the Quartermasters of the Corps of Royal Marines should, in consideration of the duty performed by them, as well as an encouragement to the Staff-Serjeants, and Serjeants of the Corps, from whom the Quartermasters are selected, receive a comfortable provision after protracted service, We do most humbly propose to your Majesty, that a rate of Half-Pay shall be established for this class of Officers according to the following scale, viz.:—

	s.	d.	
"Under 5 years' service as Quartermaster -	3	0	a day.
Above 5 years' service as Quartermaster -	4	0	„
Above 10 years' service as Quartermaster	5	0	„
Above 15 years' total service, of which 10 years as Quartermaster - - - -	5	6	„
Above 20 years' total service, of which 10 years as Quartermaster - - - -	6	0	„
Above 25 years' total service, of which 10 years as Quartermaster - - - -	7	0	„

"Further we would most humbly submit, that every Quartermaster who shall have served an aggregate of 30 years' service, of which at least 10 years must have been as Quartermaster, shall be allowed to retire with the honorary rank of Captain, upon the Half-Pay of 10s. a day, provided that such retirements be specially recommended for exemplary conduct and faithful service.

"In conclusion, We would beg to submit, that no Quartermaster should be entitled to claim retirements after any period of Service under 30 years duration, upon the ground of ill health, contracted in the Service, unless such infirmes shall be supported by satisfactory Medical Certificates; and We beg most humbly to add, that the Lords of your Majesty's Treasury have expressed their concurrence in the whole of these arrangements."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RULES FOR CORRESPONDENCE WITH THE ADMIRALTY.

Admiralty, 23rd June, 1857.

My Lords Commissioners of the Admiralty are pleased to call the attention of all Naval Officers on Full or Half Pay, and of all Officers belonging to the Civil Establishments of the Navy, to the following rules; which are to be carefully observed in their correspondence with this Department:—

1. Separate Letters are to be written on separate subjects.

2. One sixth of the *first* page is to be left blank at the top, for the purpose of Official registration, and one fourth of every page is to be left blank as a margin.

3. The subject of the letter or report is to be briefly and conspicuously stated on the first page, as a heading.

4. Each paragraph is to be numbered.

5. Officers are to sign their names legibly, stating their ranks after their signatures.

6. No original Certificates are to be forwarded, but certified copies only Baptismal and Marriage Certificates excepted.

7. All models or plans transmitted to this office, are to have the names and addresses of the persons who forward them securely affixed thereto; with a reference to the dates of the letters, or other explanatory documents, which may accompany them.

8. All enclosures are to be properly attached to their covering letter.

10. Commanders-in-Chief, Officers on detached Commands, Superintendents, and others having a regular correspondence with the Admiralty, are to number their letters. A fresh series of numbers is to commence on the 1st of January of each year. Inclosures are to be separately numbered; as, inclosure No. 1, in letter No. 32, of 1857.

ISSUE OF CLOTHING, PRESERVED MEATS, &c., TO SICK MESS ON BOARD HER MAJESTY'S SHIPS.

My Lords Commissioners of the Admiralty being desirous that the money received on account of the Sick Mess shall be applied in the most advantageous manner for the benefit of the Sick on board Her Majesty's Ships, are pleased to approve of the Funds being expended for Extra Articles of Diet, and for such things as are not supplied from other sources, which the Surgeon may require for the comfort and cure of the Men in the Sick Bay.

It is, however, to be distinctly understood that as there is a prescribed allowance of Medicines for each Ship, which is found under ordinary circumstances to be sufficient, other Medicines than those included in the Established Scale are only to be purchased out of the Fund when really necessary.

Clothing in limited quantities, according to the annexed Scale, is to be furnished from Naval Hospitals to Her Majesty's Ships, and as Sick-Berth Attendants have recently had their pay increased, by Circular No. 294, no further sum is to be given to them.

In Ships where a Sick-Berth Attendant is not allowed in the complement the person performing this duty is to be granted the usual gratuity, provided he produces the requisite Certificate.

The following words in Article 7 of the Medical Officers' Instructions for Service Afloat, relating to the issue of Preserved Meats on Foreign Stations, are to be cancelled, "gratuitously in quantities of from six to six ounces per man per diem," and the Article, as amended, to stand thus—

"The Paymasters of all ships proceeding to Foreign Stations, are supplied with Preserved Meats, to be issued to such of the Sick and Convalescents on board, as may in the Surgeon's opinion stand in need of such refreshment.

"The Surgeon is, therefore, with the approval of the Captain, to demand of the Paymaster such quantities as he may from time to time require, as in the case of other Medical Stores."

The Accounts and Vouchers of the Fund, after having been approved by the Commanding Officer, are to be sent to the Secretary of the Admiralty (for the Medical Director General) by the Surgeons, with their Annual Accounts, and it is expected that not less an amount will be returned on the paying-off of a Ship than was advanced on the Ship being Commissioned, unless anything extraordinary should occur, which is to be reported by the Medical Officers.

(Stamp Duty on Commissions, &c.)

Admiralty, 12th December, 1857.

My Lords having had under their consideration the inconvenience which has hitherto attended the collection of the Stamp Duty on Commissions and Appointments, required to be paid under the Act 55 Geo. III., cap. 184, are pleased to direct that, on and after the 1st of January, 1858, the Commission or Appointment be forwarded to the Officer, if on Full Pay, under cover to the commanding Officer of the Ship or Vessel to which he has been appointed.

On the receipt of such Commission, or Appointment on board, the Paymaster of the Ship is to note against the Officer's name on the Ship's Books the value of the Stamp Duty with which he is chargeable, as shown upon the instrument in question, which sum is to be abated from the next payment due to the Officer, and inserted in the Quarterly Pay Account of the Ship.

The Stamp Duty is only to be recovered by deductions from Pay, and is not to be received in Cash by the Paymaster, otherwise the Officer will be liable to a double payment.

Officers upon Half Pay are to require the persons who pay them to stop the amount of the Stamp Duty; or if paid by Bill upon Her Majesty's Paymaster-General, it is to be abated on the face of the Bill, and the net amount only is to be drawn for.

No further payments on account of the Stamp Duty are to be made to the Chief Clerk of this Office after the 31st of this month.

PAYMASTER AND CLERKS, R.N.

My Lords have had their attention called to the delay in rendering Ships' Books and Accounts from some of Her Majesty's Ships, and under the term "Accounts," they desire that it may be clearly understood that "Victualling and Clothing" accounts are included, as well as "Cash."

My Lords have revised the establishment of Assistant-Paymasters, Clerks, and Assistant-Clerks, allowed on board Her Majesty's Ships, including those employed in the Coast Guard Service, and they are satisfied that if the directions contained in the 18th and 20th Articles, chapter 1, of the Paymasters' Instructions, and in Circular No. 185, dated 3rd March, 1855, are strictly followed, the Office Staff on board each ship will be found fully sufficient.

The Commanding Officer is authorized to select a *Clerk or an Assistant-Clerk*, to assist him in his correspondence, and for such other clerical duties as he may require; but my Lords apprehend that the whole of the time of such Clerk or Assistant-Clerk may not always be so occupied, and that a portion thereof should therefore be available for office duties under the Paymaster, and the establishment for each ship has been fixed with that understanding. The Commanding Officer is therefore to direct that the whole of the time of the Assistant-Paymaster and other Clerks is to be at the disposal of the Paymaster, who is to employ them in the supervision of the victualling and clothing transactions, the receipt and issue of all such stores, as well as in keeping and making up the accounts, books, and documents appertaining thereto, without which it is scarcely possible they can gain sufficient knowledge to pass the necessary examination as to the general duties required of a clerk in the mode of keeping ships' books and accounts, the allowance of provisions to the Fleet, and the mode of issuing the same.

Under this arrangement and subdivision of business, it is evident that the Paymaster will have more time to superintend the general duties of his office and stores, although he will be still held responsible for the general accuracy of the ship's books and accounts, as well as the economical expenditure of provisions and clothing.

To ensure due obedience and attention to these orders, my Lords direct, that before the Captain fills up and transmits,

the half-yearly return of the Assistant-Paymasters, Clerks &c., ordered by Circular No. 106, the Paymaster shall certify in writing to the Captain (whether those officers have discharged their duties in a satisfactory and creditable manner.

A copy of the Report is to be inserted in the Muster Book.

As all account keeping will, under these Regulations, be done by the Paymaster, his Assistant, and Clerks, the Ship's Steward will attend to the ordinary duties required of him by the Paymaster, assisting in office duties only when specially directed on account of pressure or other cause.

With reference to Circular No. 230, now cancelled, my Lords desire that when no Assistant Paymaster, Clerk, or Assistant-Clerk is borne on the Ship's Books, although allowed in the complement, the Paymaster is to receive extra pay at the rate of 2*s.* 6*d.* per day. When the Office Staff is short of complement, and in cases of the continued sickness or absence of any Assistant-Paymaster or Clerk, the Captain may authorise the employment in the Office of any Petty Officer, Non-Commissioned Officer, Seaman, or Marine, competent to assist in the clerical duties, and to pay him extra pay of not more than 1*s.* 3*d.* per day, also in the case of performance of the official duties in small vessels.

Ships bearing on their books any large number of permanent Supernumeraries, will be considered for a special establishment.

Arrangements are to be made in accordance with this Circular without delay.

DUTIES OF OFFICER IN CHARGE OF THE WATCH.

The attention of my Lords Commissioners of the Admiralty having been called to minutes of several Courts Martial, at which it has appeared, in evidence, that officers in charge of the deck when ships have been run on shore, have been ignorant of the neighbourhood of the land, and of the nature of the navigation in which the ships were situated at the time of such accidents, their Lordships are pleased to direct that the following instructions shall be substituted for Art. 2, chap. 6, at p. 202 of the Admiralty Instructions for Lieutenants, and for Art. 1, chap 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains,

(*To be substituted for Art.* 2, *chap.* 6, *at p.* 202 *of Admiralty Instructions for Lieutenants.*

"On taking charge of a watch he is to make himself acquainted, as far as is practicable, with the supposed position of the ship, especially when approaching land, or in pilot water, and whether he may be likely to see any and what land or lights; he should also acquire any other information in his power, which may assist him in keeping the ship out of danger so long as he is in charge of the deck, and he is to be constantly on deck, until relieved by the officer who is to succeed him. He is to see that the men are alert and attentive to their duty; that every necessary precaution is taken to prevent accident from squalls or sudden gusts of wind; and that the ship is as perfectly prepared for battle as circumstances will admit. He is to be particularly careful that the ship be properly steered, and that a correct account be kept of her way by the log being duly hove, and by the lee-way for each hour being marked on the log board, on which is also to be marked every occurrence worthy of notice, and any accident that may have occasioned the loss of any of her stores; and he is also to see that all signals made in the Fleet are correctly minuted on the log board in such manner as the Captain shall direct; and he is, at the end of his watch, to sign the log board and the report of signals (if such be kept separately) with the initials of his name; and when the occurrences of the day have been entered in the log book he is to sign that also with the initials of his name, at the end of each watch which he kept."

(*To be substituted for Art.* 2, *chap.* 5, *sec.* 4, *at p.* 105 *of the Admiralty Instructions for Captains.*

"When a ship is in pilot water, or in the vicinity of land, or rocks, or shoals, the Captain is always to take particular care, whether the Master or Pilot think it necessary or not, that the hand lead be kept constantly going, not only with a view of obtaining soundings, when they may be expected as a guide for conducting the ship, but also as a precaution against any mistake of the pilot, or any irregularities of the tides; and it is to be kept going even in the most frequented channels, and the Captain is at all times to take care that the officer in charge of the deck shall pay particular attention to Article 2, chap. 6, of the Instructions for Lieutenants.

"If it shall appear that the ship has been run on shore, or brought into danger of being run on shore or wrecked, and that this order has been disobeyed, the Captain will be held responsible for the same; and in the event of the ship touching the ground, he is to transmit a statement of the whole circumstances of her getting ashore, with every particular as to the situation, and probable cause thereof, and the extent of damage the ship may have sustained."

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A., and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to reassemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

F. While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of I. Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, L. or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

M. 4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number no permanently exceeding 1200, viz:

1st. By the promotion of 50 Lieutenants by selection, as above stated.

Digitized by Google

R. 2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

This Order in Council provides—

G. 1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

K. 2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

N. Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up

COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG., 1840.

H. This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*s.* 6*d.* per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75*l.* per annum if otherwise entitled thereto.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 30TH JAN. 1816.

This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are
O. presumed to be incapable of further service, and who are permitted to retire at a pension of 8*s.* 6*d.* a day, with the Rank of Commander. Their widows receive a pension of 60*l.* per annum.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 1ST NOV. 1830.

By this Order in Council the Board of Admiralty are authorized to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or
P. shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7*s.* a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

MASTERS RETIRED WITH THE RANK OF COMMANDER UNDER ORDER IN COUNCIL OF 19TH MAY, 1846.

This List consists of 40 of the Senior Masters on the List, who have the option of receiving the Retired Rank of Commander, the first 20 at 12*s.* 6*d.* a day, and the rest at 10*s.* 6*d.* a day. Their widows are allowed pensions of 60*l.* a year, if otherwise entitled thereto.

N.B.—Masters at sixty years of age, who are qualified for 1st Rates, will be permitted to retire with the Rank of Commander, after 15 years' service on Full Pay as Master, and with the Rank of Captain after 20 years' service on Full Pay in the Rank of Master, but the amount of retirement will be fixed according to the Rate of Half Pay which they may have earned by service as Master.

Masters above fifty-five years of age, and under sixty, who are totally disqualified by sickness or injuries contracted in the service, and rendered incapable of further service afloat, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CIRCULARS, &c.

CIRCULAR, No. 121. —

Admiralty, June 14th, 1853.

[REGULATIONS FOR THE ENTRY OF BOYS AND MEN INTO THE NAVY—PAY—LEAVE—GRATUITIES—PENSIONS, &c., AND THE PAY OF WARRANT OFFICERS.]

MY LORDS Commissioners of the Admiralty have had under their consideration the question of the entry of men for the Royal Navy, together with a report from a committee of naval officers appointed to enquire into the subject.

Their Lordships are of opinion that it is highly important to give the Royal Navy a more permanent organization, both as a means of increasing its efficiency and discipline, and of substantially promoting the welfare and comfort of the petty officers and seamen of the fleet.

My Lords are desirous that the change in the existing system should be accomplished wholly by voluntary means. Seamen are therefore to be permitted, as at present, to enter for the customary period of service, and for particular ships; but for the future entry of boys for longer terms of continuous and general service, and by holding out the inducement of increased pay and other advantages, to men who volunteer to serve under the new system, their Lordships contemplate that a gradual and beneficial change will be introduced in the present mode of manning Her Majesty's Ships.

With this view they are pleased to direct that the following measures be carried into effect.

BOYS.

All boys under the age of 18, who hereafter enter the Navy, are to be required to enter into an engagement, according to the form, No. 93, to serve Her Majesty for a period of ten years continuous and general service from the age of 18, in addition to whatever periods may be necessary till they attain that age. If above the age of 18 when entered, they are to be required to engage for 10 years continuous and general service, from the date of first entry.

No boy is under any circumstance to be entered under the age of 14, or below the following standard of height.

Ages between			Stature. ft.	in.
14	&	15	not less than 4	8
15	&	16	 4	10
16	&	17	 5	0
17	&	18	 5	2
After 18			 5	4

Weight, though dispensed with as a qualification, is to be inserted, for information, in the reports of survey.

All officers entrusted with the important duty of entering boys, are strictly enjoined to use the greatest care and circumspection in ascertaining that they are in all respects fit for Her Majesty's Service, before they are entered. Previous to such entry being confirmed, a survey is to be held on them by two Captains, or Commanders, or one of each rank, and two Medical Officers; who are to certify, according to the form No. 95, to the boys being of perfectly sound and healthy constitutions, free from any physical malformation, or other defect, and to their being in all respects fit for the service.

A similar course of proceeding, as far as circumstances admit, is to be followed in the case of boys entered on foreign stations.

Outfit.—The sum of 40*s.* which is now required as an outfit for boys on their first entry, is, for the future, to be dispensed with.

Employment as servants.—All boys of the 2nd class, including boys from the school ships and from the Greenwich schools, may be employed as servants, when required, according to the usage of the service; but all officers in command are to take care that the employment of boys in this capacity does not, on any account interfere with their systematic schooling, instruction in gunnery, exercise aloft, and other branches of a seaman's duty; or in useful trades of which they may possess a knowledge.

Promotion to 1st class.—If a boy should be more than ordinarily active and well conducted, he may, at the discretion of his Captain, be promoted to the first class at the age of 16, provided he shall have been at least one year at sea.

Entry of 1st class Boys.—Although it is desirable that all boys who are entered in the 1st class should have been at sea, or accustomed to boats, such qualification is not to be considered indispensable, in the case of promising lads who are found in all other respects fit for Her Majesty's Service. The existing regulation for the instruction and training of 1st class boys, to qualify them for seamen, is to be strictly enforced.

Promotion.—Boys who produce proof of having been at least two years at sea, may, in special cases of good conduct and ability, be rated 2nd Class Ordinary, or Ordinary Seamen, according to their qualifications, after the age of 18. No person is to be retained in the rating of boy after the age of 20.

Discharge by purchase.—All boys of good character and conduct, whether entered for continuous service or otherwise, may be permitted to purchase their discharge according to the following scale; the amount being graduated according to the length of service, and the consequent expense that has been incurred on their education and training.

Under 3 years service	£8
After 3 and under 5 years	10
After 5 years service	12

Discharge of ineligible boys.—When a ship is inspected, or paid off, the Captain or Commanding officer, is to report the names of such boys as he may consider, from inferior stature, want of physical strength, or other valid cause, to be unfit to be retained in the service, in order that, after a special survey, they may be discharged.

Advantages of continuous service.—All the advantages granted for continuous and general service, as hereinafter named, are to be fully explained to the boys now serving, the option being left to them of accepting such advantages, or otherwise.

Increase of pay.—Boys who have entered for continuous and general service, are, when advanced to any of the undermentioned ratings, to be allowed the following rates of pay, in addition to the present pay of the Royal Navy.

	Per calendar month of 31 days.	Per annum
	s. d.	£. *s.* *d.*
2nd Class ordinary seamen	2 7	3 19 6
Ordinary seamen	5 2	7 10 6
Petty officers leading and able seamen	7 9	11 3 3

They will also be eligible to be granted pensions after shorter terms of service than at present, as hereinafter specified.

SEAMEN.

The above additional rates of pay are also to be allowed to all the petty officers, and seamen, as shown in the table of pay under the following conditions:—

1. To all men who volunteer for ten years continuous and general service.

2. To men who may hereafter enter the Navy for the first time for the usual period for which a ship is commissioned, and who afterwards volunteer, at any time before the ship in which they are serving is paid off, for such further period as may be necessary to complete ten years continuous and general service from the date of their first entry. The increased rates of pay to commence from the date of their volunteering.

Digitized by Google

3. To men who have already served in the Navy, or who are now serving, and who volunteer for not less than seven years further continuous and general service.

4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 20 years service from the age of 18; provided in the latter case, such period of continuous and general service to be completed be not less than five years.

5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 21 years from the age of 20.

6. Men who have once completed an engagement under any one of the foregoing conditions, will be entitled to the higher rates of pay by re-entry for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional rates of pay are only to be given for continuous and general service; and that pensions after 20 years total service from the age of 18, will be awarded only to men who have served under any of the foregoing conditions.

All men who engage for continuous and general service are to sign an agreement to that effect, according to the form, No. 95. They are to be distinguished on the ship's books by the letters C. S. (continuous service) being placed in Red Ink, immediately under their ratings, and the date of entry for continuous service is to be entered in the column for that purpose in the Ship's Books.

Servants, musicians, bandsmen, butchers, barbers, tailors, and sick berth attendants, and others, as stated in the table of pay in the appendix, are to be entered as at present, and are not to be considered as forming a part of the permanent Navy. No Pensioners are to be entered for continuous service.

Allotments.—The allotments of seamen who enter for continuous and general service, will remain in force during the period of their engagement, unless cancelled by themselves under existing regulations. All seamen riggers joining Ships are now to be allowed to make allotments on the day of entry.

Exchange of Seamen.—In carrying out the arrangements of the Naval Service under the new system of continuous service, the Commanders-in-Chief at home and abroad will afford facilities for the exchange of seamen to different ships whenever the public service will admit, but in all cases the sanction of Captains in command must be obtained; and such exchange will be permitted only to men of good character.

Extension of term of service.—The term of service for which a seaman shall hereafter enter may, as at present, be temporarily extended, in the event of any emergency, or necessity, which, in the opinion of the Lords of the Admiralty, or a Commander-in-Chief on a foreign station, may render such temporary extension requisite; and any man so detained beyond the term of his agreement, is to be entitled to 2*d.* a-day, in addition to the pay of the rating which he may hold.

Period of service and leave.—It is to be generally understood, that when the public service will admit, the customary period of service abroad will not be exceeded; and that six weeks leave of absence will usually be granted on the return of ships to England, and further leave during each year, whenever the service will permit. When ships are put out of commission, or paid off, the continuous service men are to be entered as disposable supernumeraries on the books of the Flag Ship at the port: unless, prior to going on leave, they have been entered on the books of a sea going or other ship as part of complement.

In hospital at home.—Petty officers, seamen, and boys, entered for continuous service, who may be sent to hospital or sick quarters at home, will not be checked as formerly for time and pay at the end of 30 days, but will continue to have both; but after the expiration of the 30 days, petty officers and able seamen will be subject to a deduction of 10*d.* per day from their pay, ordinary seamen and 2nd class ordinary seamen, 9*d.* a-day, and boys 4*d.* per day, to be charged against them on the Ship's books; and men in hospital, when a ship sails for Foreign Service, are to be discharged to the Flag Ship's Books.

Leading-seamen.—As an inducement to seamen to render themselves proficient in all branches of their duty; my Lords are pleased to direct that a higher class of able-seamen be established, under the denomination of "leading-seamen," and with an additional pay of 2*d.* a-day each. To consist of men who are thorough helms-men, and leads-men, able to assist in repairing sails, and who are practical riggers, capable of doing duty as such in any part of a ship; to undergo an examination for the rating, conducted by the Commander, Senior Lieutenant, Master and Boatswain; to wear a badge of distinction, (according to pattern); to be exempted from corporal punishment, except by sentence of a court martial, or for mutiny; to be reduced for the committal of any grave offence in the same manner as petty officers, having been first deprived of any good conduct badges they may possess. The number of leading-men in each ship to be according to the schemes of complement annexed hereto. The increased pay of 2*d.* a-day is to be allowed without reference to a man entering for continuous service. Seamen-gunners of both classes, if only qualified as leading seamen, are to receive the above 2*d.* a-day, in addition to their pay as seamen-gunners.

Shipwrights.—A new rating of "shipwrights" is to be established. One-third of the carpenter's crew is to be composed of this class. Shipwrights are to be granted 2*d.* a-day each in addition to the pay of the carpenter's crew, and tool money as at present, irrespective of their term of service. Their qualification is to be ascertained by examination, previous to their being so rated: if at a home port, the examination is to take place at the dockyard by such competent officers as may be selected by the superintendent; if on a foreign station, by three carpenters, when practicable.

Landmen.—The pay and duties of 2nd class ordinary seamen and landmen being identical, the latter rating is to be abolished.

Good-conduct badges.—Time served as 2nd class ordinary seamen is, prospectively, to count as time served as ordinary seamen, for the good conduct badge and pay.

Men absent without leave or imprisoned.—Men and boys who have absented themselves without leave, or who have wilfully overstaid their leave more than 48 hours are to forfeit their pay; but the allotment is not to be stopped during the period of their absence; and men or boys sent to gaol by the sentence of a civil magistrate for any offence committed within the United Kingdom or British Colonies, are likewise to be mulcted of their pay, during the period of their confinement; the amount of pay forfeited is to be charged against them on the Ship's Books by the Captain; unless under special circumstances, to be represented by the Captain, the Lords Commissioners of the Admiralty, or the Commander-in-Chief on a foreign station, shou'd think proper otherwise to direct. In all cases of mulct of pay, the circumstances are to be duly noted in the ship's log, and in the quarterly return of punishments. This regulation is not to interfere with the directions contained in the Queen's Regulations, Art. 5, page 103, relating to men absent without leave when a Ship is about to proceed to sea.

Conveyance of seamen to their homes when paid off.—On ships being put out of commission, every facility is to be given, consistently with the convenience of the service for conveying the men paid off to such of the ports, frequented by Her Majesty's Ships, as may be nearest to their places of residence.

Commander's servant.—Commanders, under Captains in rated ships, are to be allowed a servant; to be borne and paid as a second class ordinary seaman.

Seamen-gunners.—My Lords are of opinion that the system under which seamen-gunners are now entered requires modification, with a view both to its increased efficiency and extension. They are therefore pleased to direct, that men who may hereafter enter as seamen-gunners, be divided into two classes. 1st class men are to be entitled to an additional pay of 2*d.* a-day, and the 2nd class to an additional pay of 1*d.* a-day each, the pay in question to be granted according to their qualifications and irrespective of length of service. The 1st class to be eligible to be promoted to the situation of gunner's mates and gunners; the 2nd class should be held qualified to perform the duty of captains of guns.

The existing regulations relating to seamen-gunners who have already been entered for five years are to remain in force, except as regards men who volunteer for continuous service, and who may be deemed eligible for either of the above classes.

In entering men hereafter for the "Excellent" preference is to be given to those who volunteer for continuous and general service.

PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service, to establish a class of chief petty officers: they therefore direct that the following be established accordingly:

Digitized by Google

Chief Petty Officers.—Master-at-arms.
Chief gunner's mate.
Chief boatswain's mate.
Admiral's coxswain.
Chief captain of forecastle.
Chief quarter-master.
Chief carpenter's mate.
Seamen's schoolmaster.
Ship's steward.
Ship's cook.

Chief Petty Officers will be allowed the rates of pay stated a page 210.

Petty officers who enter for continuous service are to carry their denominations as chief, first, or second class petty officers from ship to ship; it being left open to the captains of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

Examination for the rating of petty officers.—Seamen, before being promoted to the rating of petty officer, are to be examined by the following officers, the commander or senior lieutenant, master, gunnery lieutenant, and the warrant officer of the class required. In rating petty officers, a preference is to be given to men who have entered for continuous service.

The above officers are to sign the ticket of examination, which should be retained in the captain's office, appended to the description-book; to be produced to any flag or other officer who may muster or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for good-conduct gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

Rates.	Chief and 1st Class 7*l.*		2nd Class 5*l.*	
	Present No.	Future No.	Present No.	Future No.
Rates 1st and 2nd	4	6	3	4
,, 3rd	4	5	3	4
,, 4th	3	5	2	3

Steamers 1st & 2nd Class	2	4	1	2
,, 3rd Class	1	3	1	1
Sloops	1	3	1	1
Small Vessels	1	1	1	1

The long service medal-gratuity to 2nd class petty officers is to be increased from 7*l.* to 10*l.*

Petty officers and seamen who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 5 years' service in man's rating		£12
After 5 and under 7 years	,,	10
After 7 and under 9	,,	8
After 9 and under 10	,,	5
After 10 and upwards, from the age of 18		free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 2*l.* upon the foregoing rates.

PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years service from the age of 18, instead of after 21 years service from the age of 20, as at present. Their Lordships also reserve to themselves a discretionary power of awarding pensions of 6*d.* a day each, after ten years service, from the age of 18, and pensions of 8*d.* a day each, after 15 years service from the same age, to all men now in, or who may hereafter enter the Navy, whenever their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years' service will be held liable, under the 13th clause of the Pensions Regulations (dated the 1st January, 1849), to serve again in the Navy if required, in the event of an armament of war; and when so serving, will be allowed their Pensions, and the pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system for which he entered, will not preclude his being granted a pension after 10 or 15 years combined service, wherever their Lordships shall think proper to grant pensions after those periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they shall have entered, and served for one continuous period of not less than ten years, unless invalided for wounds or injuries received on duty; that they shall have been discharged with the rating of petty officer; and that their character in such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of 1*l.* 10*s.* 3*d.* a year (in lieu of 15*s.* 2½*d.*) for each year he may have served as such; and a 2nd class petty officer 15*s.* 2½*d.* a year (in lieu of 7*s.* 7½*d.*) for each year served as such.

Summary.—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, their Lords desire that these advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

Pay.—Continuous service men will be entitled to the rates of pay stated at page 211.

Pensions.—Pensions will be granted after 20 years' service from the age of 18, instead of after 2 years from the age of 20; and as leave will be allowed when Ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 10 years actual service than they would have received under the present system for 21 years actual service.

Pensions may also be awarded after 10 and 15 years' service from the age of 18. Thus seamen may be granted pensions at the ages of 28, 33, and 38 respectively, instead of at the age 44, the average age at which long service pensions are now awarded.

These pensions will range from 9*l.* 4*s.* a year to 40*l.* a year.

The allowance for time served as a petty officer will, in awarding pensions, be doubled to men who enter for 10 years continuous and general service.

Greater permanency will be given to a man's connexion with the Naval Service. On returning from leave he will be entered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of these officers be increased as follows:—

Sea Pay.

	Per day.		Per annum.		
	s.	*d.*	£	*s.*	*d.*
1st class	6	7	120	2	11
2nd class	5	8	103	8	4
3rd class	4	9	86	13	9

Harbour Service Pay.

1st class	5	7	101	17	11
2nd class	4	4	78	1	8
3rd class	3	6	63	17	6

Warrant officers who are still paid for particular rates of pay according to the regulations in force prior to the Order in Council of the 28th April, 1856, will be allowed the following increased scale of harbour service pay.

Digitized by Google

	Per day. s. d.	Per annum. £ s. d.
1st rate	5 7	101 17 11
2nd rate	5 2	94 5 10
3rd rate	4 9	86 13 9
4th rate	4 4	79 1 8
5th rate	3 11	71 9 7
6th rate	3 6	63 17 6

My Lords desire it may be distinctly explained to the warrant officers, individually, that in awarding the above liberal scale of pay, their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, by insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their Lordships' intention in this respect.

In the cases of officers of exemplary character and conduct, two years harbour service are, prospectively, to be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their approbation of the services of this deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and soaring in the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may deem them, after undergoing an examination, entitled to receive, and competent to fill; and all warrant officers so promoted will be granted, respectively, the sum of 100l. as an outfit.

The additional pay of warrant officers is to commence on the 1st of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, their Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Coast-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Coast-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension, as if served in the Royal Navy; time served as chief and commissioned boatmen being subject to the rule laid down in the foregoing clause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in man's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of thoroughly good conduct.

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional pay.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Chief Petty Officers	Crown and Anchor encircled with Laurel.
1st Class Petty Officers	Crown and Cross Anchor.
2nd Class Petty Officers	Crown and Anchor.
Leading Seamen	The Anchor.

These regulations are to take effect on and after the 1st July next; except as regards men entering for continuous service on Foreign Stations, where they are to commence so soon as they are understood by the men, and they volunteer for continuous service; and all existing regulations not cancelled or modified by those now promulgated are to remain in force.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be befilled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy

R. OSBORNE.

EXAMINATION FOR THE RANK OF LIEUTENANT

Admiralty, August 3, 1853.

With reference to Art. 21, Chap. 2, page 21, of the Admiralty Instructions, which provides that Mates, who have already passed their examination abroad, shall pass an examination at the Royal Naval College, within two months of their return to England, in order to entitle them to confirmation from the date of their first Certificate; and it appearing that some misapprehension has arisen on this point, and that it has been supposed that, provided a Mate passes within the specified period, it is immaterial whether he fail, or otherwise, in his first examination at the College; my Lords desire that, in future, it may be clearly understood, that Mates who have already passed abroad are at liberty to select either the 1st, 2nd, or 3rd examination day at the Royal Naval College, after their arrival in England; or, if belonging to a ship under orders to be paid off, on the 1st, 2nd, or 3rd examination day after having been so paid off.

If rejected on *any* examination day, officers will incur the forfeiture of 3 months' seniority in their rank as Mates, instead of being allowed to take seniority from the date of their passing in Seamanship: a second rejection will incur the forfeiture of 6 months' seniority, and a 3rd rejection 9 months (in the whole). All other cases will be dealt with specially by the Board of Admiralty.

The non-appearance of Officers for Examination at the times required by these Regulations will be considered as a tacit acknowledgment of their not being qualified, and will be dealt with in the same manner as if they had been actually rejected on each day on which they may have omitted to appear, viz.:—Non-appearance on the 3rd Examination Day will incur the forfeiture of 3 months' seniority; non-appearance on the 4th day, 6 months; non-appearance on the 5th day, 9 months; and all other cases of Mates not appearing must be specially reported to the Board for the decision of their Lordships.

By Command of their Lordships,
W. A. B. HAMILTON.

EXAMINATION FOR THE RANK OF LIEUTENANT AFTER FIVE YEARS' SERVICE.

No. 208. *Admiralty, 27th August,* 1853.

By their Lordships' Order of 3rd August, 1853, it is provided that a Mate, if rejected on *any* examination-day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his Rank of Mate for each occasion of his being so rejected, and also a corresponding penalty for each occasion of his failing to present himself to pass; the non-appearance of Officers being considered as a tacit acknowledgment of their not being qualified.

My Lords are pleased to direct that the same Regulations which govern the Seniority of Mates (whether rejected or failing to present themselves) shall be made applicable to Acting Lieutenants, who are to be deprived, in the same proportion as Mates, of three months in their Seniority as Lieutenants for each occasion of their being rejected, or failing to present themselves for examination.

In the event of any case occurring of an Officer being rejected more than three times, or of his failing to present himself on a 6th examination day after his arrival in England, (or if belonging to a ship under orders to be paid off, on the 6th examination after having been so paid off,) such cases will be specially dealt with by the Board of Admiralty.

The above regulations are to apply to the cases of Second Masters, and Officers promoted abroad to the rank of Acting Master.

By command of their Lordships,
(Signed) R. OSBORNE.

The Lords Commissioners of the Admiralty have directed, by an order dated December 18-5, that the College Sheet is to contain questions on the Theory of Navigation and Astronomy, also on the prevailing winds and currents of the ocean, and on the practical application of the rules of navigation and astronomy to Surveying and other Nautical purposes, in order to test the knowledge and qualifications of all Officers passing at the Royal Naval College.

EXAMINATION FOR THE RANK OF LIEUTENANT AFTER FIVE YEARS' SERVICE.

No. 319. *Admiralty, 28th March,* 1856.

The attention of the Lords Commissioners of the Admiralty has been called to irregularities which have taken place in the examination of midshipmen, who having completed five years service at sea, and having attained the full age of nineteen years, have presented themselves for examination in order to avail themselves of the advantages held out in Article 20 of the Circular, No. 288.

By that Article of the Regulations in question, it is provided that Midshipmen after five years service, and being nineteen years of age, may be permitted to undergo examinations in Seamanship, Gunnery, and Navigation, in accordance with the Regulations prescribed by the Circular, No. 288, and under those Regulations the Certificate to be granted to candidates should be in accordance with the Forms No. II., III., IV., prescribed by Article 14 of the above Circular.

My Lords have observed that instead of adhering to these Instructions the Examining Officers have granted Certificates of Qualification to Candidates who have completed only five years service at sea, without requiring them to undergo the more stringent examination required by the Circular, and have entirely dispensed with the prescribed forms in granting the necessary Certificates of Qualification, thereby conferring upon Midshipmen already in the Service an advantage which was only intended to be conceded to those who were prepared to submit themselves voluntarily to the more stringent examinations.

My Lords therefore direct that Midshipmen who entered the service prior to May, 1857, and who may be willing to profit by the encouragement held out in the Circular, No. 288, may be granted Certificates of Qualification in those cases only in which they may be found to be qualified in accordance with the Regulations of the Circular, and such Certificates are to be in the Forms No. II., III., IV., as already directed.

It is also to be observed that Midshipmen who have completed only five years service will not be permitted while in England to receive Acting Appointments as Mates, nor will have undergone all the examinations required in Seamanship, Gunnery, and Navigation, after which their services will be lost (provided they have not been rejected) will date from the Certificate of Qualification in Seamanship.

The Certificates in Seamanship of Candidates after five years service, who may be examined provisionally, or before three Captains when abroad, are also to be in accordance with the Circular No. 288, and the examinations for Gunnery and Navigation are to be conducted also by three Captains with the assistance, when practicable, of a Gunnery Officer as a Naval Instructor, and the Certificates are to be in the proper forms, although the two latter Examinations will be required to be repeated at home on board the "Excellent," and at the Royal Naval College.

It is to be clearly understood however that the Forms of Certificate required, and the orders herein prescribed, are not to be considered as applicable to Midshipmen who may be examined as heretofore, after the completion of six years service at sea, but in all cases the Certificate of Qualification in Seamanship is to be accompanied by separate Certificates stating that the Candidates have been examined in Gunnery and Navigation, and also stating the opinion of the Officers upon their proficiency and qualification in each. Candidates passing abroad after the completion of five years service are to be cautioned that they will be expect it to appear for examination in Gunnery on board the "Excellent," and the first examination after their arrival in England, and failing so will be entitled to Seniority in Seamanship only from the date of their completing six years service at sea.

By command of their Lordships,
HENRY CAREY.

CIRCULAR, No. 320.

Admiralty, 30th March, 1858.

(EXAMINATION FOR THE RANK OF LIEUTENANT.)

By their Lordships' order of the 3rd August, 1853, it is provided that a Mate, if rejected on any examination day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his rank as Mate for each occasion of his having been so rejected, and also a corresponding penalty for each occasion of his failing to present himself within the period prescribed by the Regulations, the non-appearance of officers being considered as a tacit acknowledgment of their not being qualified.

With reference to the order above referred to, my Lords direct that in all future cases of an officer having allowed two or more examination days to elapse beyond the period limited by the Regulations), without presenting himself to pass at the Royal Naval College, such officer shall not be allowed to undergo his final examination except by a special order from their Lordships.

In the event, therefore, of an officer not having presented himself to pass on or before the fifth examination day after his arrival in England, or in the case of his belonging to a ship under orders to be paid off, on the fifth examination day after having been so paid off, he is to report to their Lordships the cause of his non-appearance, when, if his explanation should prove satisfactory, he will be allowed to present himself for examination on the next passing day; but if his explanation should prove unsatisfactory, his name will be removed from the list of the Navy.

In cases where an officer having been rejected at the College on one occasion, and having neglected to present himself to pass on two other occasions; or in cases where an officer may have been rejected twice, and have failed to appear for examination on a third occasion, such officer is on no account to be allowed to pass without application to, and special permission from their Lordships, and in the event of his explanation proving unsatisfactory his name will be removed from the List.

In cases of officers applying for permission to pass as required by this Regulation, he is to state in his application the name of the ship or ships in which he may have served since the date of his having passed in seamanship, and also the date of his arrival in England. Should he have returned to England on more than one occasion after his passing in seamanship, he is to specify the date of such former arrival.

In future, a third rejection at the Royal Naval College, or three non-appearances, or three cases of rejection and non-appearance combined, unless satisfactorily accounted for, will entail an officer's removal from the List of the Navy.

N.B.—The above Regulations are also to apply to officers promoted abroad to be acting Lieutenants, as well as to the cases of second Masters, and to officers promoted abroad to the rank of acting Master.

By command of their Lordships,
H. Corry.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR No. 324.

Admiralty, 4th May, 1858.

RESIDENCE OF ACTING MATES AND ACTING LIEUTENANTS AT ROYAL NAVAL COLLEGE.

My Lords Commissioners of the Admiralty being of opinion that it would be highly conducive to the advantage of Her Majesty's Service, as well as to the interests of young officers, if acting Mates and acting Lieutenants were to be received into the Royal Naval College at Portsmouth while preparing to pass their final examinations; their Lordships have been pleased to make arrangements by which officers so preparing to pass, will in future be received into that Establishment, under the following Regulations.

1. They will be borne on the Books of H.M.S. "Excellent" as supernumeraries for victuals only, and will be checked to the Royal Naval College with an allowance of 1s. 6d. a day in lieu of provisions. Officers on full pay, will be checked of their provisions on board their respective Ships while at the College, and those not belonging to a Ship will receive the benefit of the allowance.

2. As many officers as can be accommodated with cabins, will be required to reside entirely in the College. Officers who cannot be so accommodated, will be allowed to sleep out until cabins are vacant for them, but they will be expected to take their meals at the College Table.

3. Officers will be expected to be within the walls of the College by half-past 9 o'clock in the evening. In the event of any infringement of this rule occurring, a report of it will be made to it in the morning to the Captain Superintendent, who will take such steps as he may think right to prevent a recurrence of the irregularity.

4. The Library will at all times be open to officers subject to the rules now in force, but no Books are to be taken out of it.

5. The Study of the permanent officers is reserved for their exclusive use until 4 P.M. After that hour it may be used by other Officers studying in the College until lights are put out in the evening. The Library, however, may at all times be used for the purposes of study.

By command of their Lordships,
W. G. Romaine.

Admiralty, December 17th, 1849.

The Lords Commissioners of the Admiralty having had under their consideration the present Regulations for the examination of Masters and Second Masters of Her Majesty's Fleet, as defined by art. 21, chap. 2, p. 22, and art. 25, chap. 2 p. 25, of the printed Instructions, have been pleased to direct that on and after the 1st of January next, the following Regulations shall be adopted, viz.:—

All Officers passing for the rank of Master or Second Master; or Officers from the Merchant Service who are Candidates for those ranks, under the Queen's Regulations, art. 6, chap. 3, p. 24) shall be examined in Seamanship, either at home or abroad, by one Captain or Commander, and three Masters; and after having received a Certificate of having passed such Examination, they shall undergo their Examination in Navigation at the Royal Naval College (instead of the Trinity House), under the same regulations and at the same period, as Mid-shipmen passing for Lieutenants; but the Examination for Pilotage is to be conducted at the Trinity House, under the rules and regulations at present in force, but subsequent to the above mentioned examinations. Having completed the above examinations they will be considered eligible for the rank of Master in the Royal Navy, provided they shall have served the time required by the Queen's Regulations.

The Seniority of Second Masters (or of Candidates for the rank of Master) is in future to reckon from the date of their passing in Seamanship for that rank, provided they shall subsequently pass in Navigation at the Royal Naval College, on the first, second, or third Examination day following, either of which days they are at liberty to select; or, in the event of an Officer having previously passed abroad in Seamanship, he is at liberty, after his arrival in England, to select either the first, second, or third Examination day at the Royal Nava College; or if belonging to a ship under orders to be paid off, on the first, second, or third Examination day after having been so paid off, when, if he shall succeed in passing, he will be allowed seniority from the date of his having passed abroad. But no Second Master (or Candidate for the rank of Master) will be allowed such seniority who shall fail in passing at the Naval Naval College, at the *first* trial, or who shall not pass at the Trinity House within a month after his having passed in Navigation.

Officers appearing before the Trinity Board for the purpose of passing in pilotage must be qualified to take charge, as Pilot, of any of Her Majesty's frigates for the Coast and Ports for which Masters have hitherto been examined; and when they shall have served three years at least in Frigates or Sloops, they may be further examined as to their qualifications to take charge of Line-of-Battle Ships, but in this examination it will be required that they pass for the largest description of First-Rates. In the event of an Officer serving abroad as Acting Master of a Line-of-Battle Ship, the time so served may reckon as part of the aforesaid three years.

The Class of Ship of which Officers are capable of taking charge as Pilots will be stated in the Certificate granted to them by the Trinity House.

All Officers desirous of being examined in Pilotage at the Trinity House, either for the rank of Second Master, or as to their qualifications to serve as Masters of Frigates, or of Line-of-Battle Ships, should present themselves at the Admiralty, bringing with them a Certificate of their Birth, and also their original Certificates for the entire period they have been employed in Her Majesty's Service, or in Merchant Ships, in each of which Certificates the word Sobriety must be included. Similar Certificates must be produced by Officers presenting themselves to pass in Navigation at the Royal Naval College.

By command of their Lordships,
JOHN PARKER.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, is which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer aforesaid, then the claimant for the honour of all proof of the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed at the service

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery on which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers or Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration on the acts were done under his own eye.

he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

MEMORANDUM.

Admiralty, 20 *June*, 1851.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

The attention of Officers is called to clause 4 in the said Memorandum.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships, W. A. B. HAMILTON.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PROPOSING TO SETTLE IN CERTAIN OF THE BRITISH COLONIES.

1. Privileges in the acquisition of Land are at present allowed to Military and Naval Officers in the Colonies of New South Wales, Victoria, Van Diemen's Land, South Australia, Western Australia, New Zealand, Ceylon, and the Cape of Good Hope. As, however, the control of the waste Lands of the Crown in New Zealand is vested in the Legislature of that Colony, it must be distinctly understood that Her Majesty's Government cannot guarantee the continuance of the following regulations, but that they will be liable to be altered or discontinued by the local Legislature; and the same caution will be applicable to any other of the Colonies named, in which the same control may hereafter be transferred to the local Legislature.

The same privileges are extended to Officers of the East India Company's Service in Van Diemen's Land.

2. In the above-named Colonies land is disposed of by sale only; but Officers purchasing land are allowed a remission of the purchase-money, according to the undermentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 600*l*.
Field Officers, of 20 years' service and upwards, in the whole 500*l*.
Field Officers, of 15 or less years' service, in the whole 400*l*.
Captains, of 20 years' service and upwards, in the whole 400*l*.
Captains, of 15 years' service or less, in the whole 300*l*.
Subalterns, of 20 years' service and upwards, in the whole 300*l*.
Subalterns, of 7 years' service and upwards, in the whole 200*l*.
Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule:—but Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and mates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of lands.

3. In order to take advantage of this privilege, Officers of the Army and Navy on full or half pay, should provide themselves with a certificate from the Office of the General Commanding-in-Chief, or of the Lords Commissioners of the Admiralty, or of the Master-General of the Ordnance, shewing that their settlement in a British Colony has been sanctioned, and stating their rank and length of service. No document from the Office of the Secretary of State is necessary.

4. This Certificate will not on any account be issued more than once to the same Officer, or to any Officer on half-pay who shall for two years immediately preceding the date of this Notice have resided in the Colony in which he seeks to make it available.

5. Gentlemen who have ceased to belong to Her Majesty's service will not be allowed advantages in the acquisition of Land. This rule, however, is not to affect Officers who, having obtained permission to settle in a British Colony, have quitted the service for the purpose of going so. But, in such cases, it will be necessary that their certificate of service and permission should bear the date of their retirement from the service, and that, within one year from that date, but not otherwise, it should be presented to the Governor of one of the above-named Colonies, which shall be sufficient warrant for allowing the bearer the advantages to which his rank and length of service may entitle him according to the above scale.

6. The object of the Regulations being to encourage the permanent settlement in the above-named Colonies of Military and Naval Officers, and it being necessary to prevent those who have no intention of settling there from taking advantage of the privilege, Officers will not, for the space of two years from the making out of their Certificates, receive a Crown Grant for any Land purchased by such Certificates, but will, in the meantime, receive a "Location Ticket." At the expiration of two years, the Officer, on shewing to the satisfaction of the Governor that he is *bonâ fide* a resident Settler in the Colony, and has so resided continuously since receiving his "Location Ticket," will be entitled to a Crown Grant in exchange for it. If, however, application should not be made for the exchange of the "Location Ticket" within 12 months from the expiration of the two years for which it is granted, it will be considered to have lapsed, and the Land will be open to sale or grant. In case of the Officer's dying while holding a "Location Ticket," the land to which it refers will be transferred to his legal representative.

In case of such death occurring before the "Location Ticket" is obtained, the Governor of the Colony is authorized to make the Certificate available in favour of the Child or other nearest representative of the deceased Officer, as he may find advisable.

7. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre, but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

8. In Ceylon, land is sold by auction at an upset price which is to be fixed by the Governor, but which is not to be less than 1*l*. per acre. Before the lands are exposed for sale, they will be surveyed by the Government and duly advertised.

9. At the Cape of Good Hope the upset price is two shillings per acre in the old Colony, and four shillings per acre in the district of Natal.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

Her Majesty having by Her Order in Council of 10th August, 1841, ordered that Mates in the Royal Navy shall rank with Ensigns in the Army, and Mates of 3 years standing with Lieutenants in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships, J. PARKER.

ORIGINAL CERTIFICATES AND PAPERS.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

By Command of His Royal Highness, J. W. CROKER.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council bearing date the Twenty-ninth day of March, One thousand eight hundred and fifty-four, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of the Emperor of all the Russias, his subjects or others inhabiting within any of his countries, territories, or dominions (save and except any vessel to which Our licence has been or may be granted, or which have been directed to be released from the embargo, and have not since arrived at any Foreign port), so that Our fleets and ships shall and may lawfully seize all ships, vessels, and goods belonging to the Emperor of all the Russias, or his subjects or others inhabiting within any of his countries, territories, or dominions, and bring the same to judgment in any of the Courts of Admiralty within Our dominions duly authorized and required to take cognizance thereof, We do hereby order and direct that the net produce of all such Prizes taken by any of Our ships or vessels of war (save and except when they shall be acting on any conjunct expedition with Our Army, in which case we reserve to Ourselves the division and distribution of all Prize and Booty taken, and also save and except as hereinafter mentioned), shall be for the entire benefit and encouragement of our flag-officers, captains, commanders, and other commissioned officers in Our pay, and of all subordinate, warrant, petty, and non-commissioned officers, and of the seamen, marines, and soldiers on board Our said ships and vessels at the time of the capture, after the same shall have been to Us finally adjudged lawful Prize.

Whenever any Prize shall be taken by any of our fleets squadrons, ships, or vessels of war while acting in conjunction with any fleets, squadrons, ships, or vessels of war belonging to any other power or powers in alliance with Us, Our High Court of Admiralty, or the Vice-Admiralty Courts within our dominions adjudicating thereon, shall apportion to such ally or allies a share or shares of the proceeds of such Prize or Prizes proportionate to the number of officers and men, &c. present and employed on the part of such ally or allies as compared with the number of officers and men, &c. present and employed on our behalf in such capture or captures, without reference to their respective ranks, and the share or shares so set apart for such ally or allies shall be transmitted to such persons as may be duly authorized on behalf of such ally or allies to receive the same.

Ships or vessels, being in sight of the Prize, as also of the captor, under circumstances to cause intimidation to the enemy and encouragement to the captor, shall be alone entitled to share as joint captors.

After having deducted the portion set apart as aforesaid for our allies, a distribution so far as regards Her Majesty's forces, shall be as follows:—The flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or vessel of the enemy, privateer, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy by any ship or vessel which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when any ship or vessel under orders from the Lord High Admiral or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any Prize taken by the inferior flag officer before he has arrived within the limits of that station unless the inferior officer shall have received some order directly from and shall be acting in the execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any Prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed), shall have no share in Prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the Prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to

any station shall not share in any Prize or Prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said Commissioners to take the command of that station in which the Prize or Prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the twentieth part of Prizes taken, whether he be commanding in chief or serving under command.

The first captain to the admiral and commander-in-chief of our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in Prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any Prize or Prizes who shall have more commissions than one shall be entitled only to share in such Prize or Prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to other officers it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer, duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly taking any Prize from the enemy, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander under the captain, the commander shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under a captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

> *I, A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have directed that freight for such a deposit should be paid as if the deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading or new orders for *conveyance*, either on board the same ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be Exclusive the Rate of *One* per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

GOD SAVE THE KING.

Admiralty, 8th October, 1832.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

STONEY HERBERT.

REGULATIONS WITH REGARD TO THE MESS ACCOUNTS OF MATES AND SUBORDINATE OFFICERS

Admiralty, 10th March, 1856.

My Lords Commissioners of the Admiralty having reason to believe that a sufficient check has not been imposed in some of Her Majesty's Ships to prevent an extravagant mode of living in the Messes of Mates and Subordinate Officers, desire to call the attention of the Captains and Commanding Officers of Her Majesty's Ships to Chap. 3, Sect. 2, Art. 6, page 64, of the Admiralty Instructions.

My Lords further direct that in future the Mess Accounts of the Mates and Subordinate Officers of Her Majesty's Ships shall be subject to inspection, with all necessary Vouchers, by a Lieutenant, Paymaster and Naval Instructor (when there is one on board) of the respective Ships, and shall be afterwards submitted to the Captain or Commanding Officer for his approval or otherwise. The Captain is to order this Inspection to take place at the close of each Quarter of the Year, and the Inspecting Officers are to report to the Officer in Command the names of those Officers who may not have paid their Mess expenses, or who may have been the cause of any extravagance in the Mess; also, if there are any outstanding debts, and to what extent; and the Captains and Commanding Officers are to regulate the amount of entrance money and monthly payments on such a moderate scale as they may consider fit and proper, and the circumstances of each Ship and Station may require, and as the pecuniary means of the Officers may enable them to contribute.

The Captains and Commanding Officers are to report to the Commanders-in-Chief, for their Lordships' information, whenever the Mess Accounts are found to be in an unsatisfactory state, with all the circumstances which may have led thereto.

The undermentioned Regulations relative to the Pay, &c., of Inspectors of Machinery, Chief Engineers, and Assistant Engineers, have been established under Her Majesty's Order in Council of the 4th of April, 1856.

The system of dividing the Chief Engineers into three Classes is abolished, and a higher rate of pay, as in the case of Masters, is to be granted to such as are qualified to serve in 1st or 2nd Rates, than to those not so qualified, and their pay is to increase with length of service.

The Chief Engineers now in the 1st Class are to be regarded as qualified for the 1st or 2nd Rates, and all Chief Engineers are to retain their present pay if exceeding that allowed by the new scale.

A certain number of Assistant Engineers who may prefer it, and who may be considered fit and deserving, will be passed at the Admiralty as *Engineers qualified for Charge*. They are to hold their present rank in the Service, but their pay is to be 182*l.* 10*s.* 0*d.* a year, with an increase of 1*s.* a day after Six years' sea service as Engineers in Charge. These Officers will no longer be liable to serve under a Chief Engineer, and they must give up the expectation of becoming Chief Engineers and Ward Room Officers.

No change is to be made in the regulations respecting the Harbour Pay and Pensions of Assistant Engineers, but Inspectors of Machinery, Chief Engineers and Assistant Engineers, are to be placed with respect to Pensions and Gratuities for Wounds or Injuries, and also with respect to Pensions and Allowances to their Widows and Families, on the same footing as Masters of the Fleet, Masters, and Second Masters respectively.

PRECAUTIONS TO BE OBSERVED TO PREVENT ACCIDENTS WHEN SALUTING.

Admiralty, 30th May, 1856.

My Lords Commissioners of the Admiralty have to call the attention of Officers in command of Ships to the accidents which frequently occur in firing Salutes, in consequence of the Vent being stopped by the thumb in lieu of a properly fitted Vent Plug; and they desire that whenever it may be necessary to reload a Gun for the purpose of saluting, it may be run into a "taut breech" before the sponge is entered for sponging it, and that care be taken that the proper Gun's Crew are in their respective stations.

As a further precaution, the Worm is to be used before the Sponge.

CIRCULAR, No. 254. (Cancelling No. 102.)

Admiralty, June 17th, 1836.

(SALVAGE CLAIMS.)

With reference to the 485th section of the Merchant Shipping Act, 1854, My Lords Commissioners of the Admiralty are pleased to direct, that Circular No. 102 be cancelled, and that the Commanding Officers of Her Majesty's Ships and Vessels shall conform to the directions contained in the following Circular and the clauses of the Act subjoined thereto:—

1. All Officers in Command of Her Majesty's Ships are, as heretofore, to afford every possible aid to Vessels in danger distress, or in want of custom assistance.

2. When such services have been rendered, the Commanding Officer of the Ship is to transmit a full report of the whole circumstances of the case, with a copy of the Ship's Log, to the Commander-in-Chief, or Senior Naval Officer of the Station, for transmission to my Lords, whose written approval is requisite before any Officer in the Navy can raise a claim for Salvage, and such approval will not be given unless *really important Service, or Service accompanied with hazard, has been rendered.*

3. In cases where relays of men are sent for the purpose of affording assistance, and where a large portion of the Crew have been employed, the Salvage which may be awarded is to be distributed according to the provisions of the Prize Proclamation in force at the time, unless specially apportioned by the terms of any decree or award, or otherwise to be divided among the parties actually employed, as my Lords Commissioners of the Admiralty may direct.

4. All Officers are to use their best efforts to save, and protect property and stores, especially those belonging to the Crown, which may be on board any Vessel placed in circumstances of danger or distress; and, if necessary, to remove such stores to a place of safety.

5. Commanders-in-Chief, or Senior Officers in command, are to report all cases of assistance rendered, or claims raised, to the Secretary of the Admiralty.

(RE-ENTRY OF GREENWICH PENSIONERS FOR SERVICE IN HER MAJESTY'S SHIPS.)

Inconvenience having been occasioned in consequence of Greenwich Pensioners receiving their Pensions monthly or quarterly, in advance, and re-entering the Service prior to the expiration of the period for which they have been paid, thereby rendering it necessary, when not allowed to receive their pensions whilst serving, that the amount over-issued on account of Pension should be deducted from their Pay, my Lords Commissioners of the Admiralty are pleased to direct that all Pensioners, re-entering for Service in Her Majesty's Ships of War, be required to produce a Certificate from the Staff Officer of Pensioners of their district, showing the period to which the Pensioner has been paid, in order that the over payment, if any, may be charged against his growing wages, and reported to the Secretary of the Admiralty, that repayments may be made to the War Department; and to prevent men, on offering themselves for entry, evading the fact of being Pensioners, the Staff Officers of Pensioners have been authorized to note on the Men's Parchment Certificates of Service the fact of their being Pensioners when the first payment of their pensions may be made to them.

By Command of their Lordships,

(STEAM POWER NOT TO BE USED BUT IN CASES OF NECESSITY.)

My Lords desire to call the attention of all Officers in command of Her Majesty's Ships to Circular, No. 177, as well as to the Orders which have been given from time to time respecting the expenditure of Coals, and to impress upon them the necessity that exists of working their ships without the use of steam, when the duty required can and ought to be performed under sail alone—not only on the score of economy, but for the important purpose of ensuring the efficiency of screw ships as sailing ships.

My Lords are therefore pleased to direct that in future the use of steam power shall not be resorted to when the screw on which a vessel is employed can be satisfactorily performed without it; and that their Lordships may know whether this order has been duly observed, all Commanding Officers are, whenever steam is raised, to cause the same to be noted in the Log Book, together with their reasons for so doing, stating whether it be the emergency of the occasion, the necessity of performing the service with the utmost despatch, or other cause which, in their opinion, may justify their having resorted to steam power.

By Command of their Lordships,

EXPENSE IN MESSES OF HER MAJESTY'S SHIPS.

My Lords Commissioners of the Admiralty have lately had reason to believe that much greater expense has been incurred by the Messes of Officers in some of Her Majesty's Ships than is sanctioned by the Rules and Custom of the Service; and, from complaints which have been made to their Lordships, that mess debts have not been liquidated at the proper time for payment by the Officers contracting them, and claims have consequently been made upon Officers who were subsequently appointed, to subscribe for the discharge of debts to which they had given no sanction.

My Lords have to call the attention of the Officers of the Fleet to these irregularities, in order that they may be avoided in future; and their Lordships desire that the Officers of the Ward Room will adopt such measures as will enable their Messes to be maintained with credit and comfort, and free from extravagance, and thus set a becoming example to the junior Officers.

In regard to the Gun Room Messes; my Lords have on several occasions had brought to their notice circumstances of extravagance and mismanagement, which have been caused by the unnecessarily high subscriptions, and the use of expensive wines and spirits, totally at variance with the custom of the Service and the pecuniary means of the Officers.

With a view of putting a stop to such irregularities, my Lords direct that the subscriptions to the Gun Room Messes shall never exceed the sum of *eight* pounds for entrance, and that the monthly subscriptions, including all extras, shall not be more than *thirty* shillings.

Their Lordships further desire that no wine, except port and sherry or wine of the same class and price, and no spirits, except the ship's allowance, be used in the Gun Room Messes.

No wine, spirits, or beer are to be received on board any of Her Majesty's Ships without the written approval of the Officer in command.

Their Lordships have also been led to believe that in some of Her Majesty's Ships Messmen, under the description of *Stewards*, are still permitted to carry on the sale of provisions, wine, spirits, &c., to the Messes of the Admiralty Order of the 29th May, 1851. The attention of the Admiralty can tend so much to irregularity in a Mess, as well as to injury to the discipline of a ship, as to permit any person to make a traffic by the sale of provisions, spirits, &c., instead of the Messes being properly conducted by their caterers.

The Commanders-in-Chief and Senior Officers in command of Stations are hereby directed to take the necessary steps for carrying out these Orders.

By Command of their Lordships,

R. OSBORNE.

To all Flag-Officers, Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

CIRCULAR No. 284.

Admiralty, May, 20th 1857.

GOOD CONDUCT BADGES.

By returns from the Home Ports, it appears that from want of attention on the part of Officers in Command of Her Majesty's Ships the Good Conduct Badges, which were specially intended to be conferred as an honourable reward on those Seamen of the Fleet who have invariably conducted themselves with sobriety, activity, and attention, so as to deserve the character of "very good," have in many instances been granted without sufficient inquiry, or upon insufficient grounds, and not in accordance with the Circulars No. 46, of January, 1849, and No. 62 of May, 1850.

The Lords Commissioners of the Admiralty direct the attention of Officers in command of Her Majesty's Ships to the following irregularities:—

1. These Badges have been granted to Men who have not served the requisite period to entitle them thereto.

2. They have been granted to Men bearing only the character of "good" on their Certificates; no person being entitled to them unless with "very good" character.

3. The additional Badges have been given to Men who had not worn the previous Badges sufficiently long.

Their Lordships direct that an immediate investigation is to be made on board all Her Majesty's Ships, by mus-

tering those Men who wear the Good Conduct Badges, and any Men not entitled to the same, in accordance with the Regulations now reprinted, are to be reduced, unless it be found that they have subsequently become entitled to them; this Order is to apply to all Men joining Her Majesty's Ships from the Shore, also to those in the Coast Guard Service, and a notation is to be made on the Muster Books, and on the Men's Certificates, of any changes which may be made.

My Lords desire that Officers in command of Her Majesty's Ships will also give attention to the new regulations wherein the Good Conduct Pay is now extended to the Petty Officers of the Fleet.

By Command of their Lordships,

R. OSBORNE.

To all Commanders-In-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

Circular No. 46 of 16th January, 1849, and No. 62 of the 18th May, 1850, are cancelled with the exception of the New Ratings of Petty Officers.

Amended Regulations, relative to the Good Conduct Badges for the Seamen of the Fleet, Established by Her Majesty's Order in Council of the 15th January, 1849.

1. The Lords Commissioners of the Admiralty directed by their Circular No. 46 that a distinctive Badge, having reference to length of service, and good conduct, should be established for the undermentioned ratings, to which an increased rate of pay of one Penny per day for each Badge should be attached; such Badge to be conferred, under the following Regulations, on all men filling the said ratings, who had invariably conducted themselves with sobriety, activity, and attention, so as to deserve the character of "very good;" and also on Seamen who might enter the Navy from the Merchant Service, and who could produce certificates of service therein of "very good" character and conduct.

Leading Seamen, Shipwrights, Second Captain of the Hold, Sailmakers' Crew, Blacksmith's Mate, Armourers' Crew, Carpenters' Crew, and Coopers' Crew, Painters,
Able Seamen, Yeoman of Store Rooms, Bandsmen, Sick Berth Attendant,
Stokers, and Coal Trimmers.

2. That any person holding any of the above ratings, when he shall have completed five years' service, exclusive of boy's time, will be eligible to claim one Good Conduct Stripe, and one penny per day, provided that during the last two years of that period he shall have invariably conducted himself with sobriety, activity, and attention, so as to deserve the character of "*Very good.*"

After ten years service he is eligible to claim two Stripes, and two pence per day, provided he has worn the First Good Conduct Badge continuously during the previous two years.

After fifteen years' service he is eligible to claim three Stripes, and three pence per day, provided he shall have worn the Second Good Conduct Badge continuously during the previous two years; provided always that in these respective cases he has maintained the same high character that entitled him to the First Badge.

3. With reference to the qualifications required of merchant seamen who may enter the Royal Navy the following regulations are to be observed :—

Any Able Seaman who shall have a combined Servitude in the Revenue or Merchant Service and Royal Navy of six years, exclusive of Apprenticeship time, shall be eligible to obtain the First Good Conduct Badge, provided he shall have completed a period of one year's service in the Royal Navy, immediately preceding the bestowal of the Badge, and shall have merited the character of "very good;" and can further produce satisfactory certificates of very good conduct during his last two years' service in Merchant Vessels.

Any Able Seaman who shall have a combined servitude in the Revenue or Merchant Service and Royal Navy of eleven years, shall be eligible for the Second Good Conduct Badge, provided he shall have fulfilled the conditions specified in the foregoing Article.

Any Able Seaman who shall have a combined servitude of sixteen years in the Revenue or Merchant Service and Royal Navy, shall be eligible to wear the Third Good Conduct Badge, subject, as before, to the foregoing conditions.

4. When a man is discharged from one Ship to another, or is to be paid off, the Commanding Officer is to certify on his Parchment Certificate the rating he holds, his character, and the description of Badge he is entitled to wear, and the date of its having been conferred. But if he has not sufficient service to entitle him to a Badge, and his character has been "very good," and is recorded in the Parchment Certificate, such character is to be considered in his next Ship as a claim to the Badge and Pay, when he shall have served sufficient time to entitle him thereto, according to the foregoing regulations.

5. The circumstance of a man having worn the Good Conduct Badge will be considered in determining the amount of his Pension.

6. Men in the receipt of Pensions may be awarded the Good Conduct Badge, but are not to receive the additional Pay.

7. The first Good Conduct Badge is to be a stripe of gold lace, according to pattern.
The Second Good Conduct Badge is to be two stripes of gold lace.
The Third Good Conduct Badge is to be three stripes gold lace.

8. The Badge is to be worn on the upper part of the left sleeve of the Jacket, or Frock. With duck Frocks the Badge is to be of blue serge, instead of gold lace.

9. If any person, entitled to wear the Good Conduct Badge, shall commit any offence, for which the Captain or Commanding Officer shall consider that he should be punished by the forfeiture of one, or more, of his distinguishing badges, shall be enquired into, under a Warrant, executed in the usual manner as when corporal punishment is awarded; and the Captain or Commanding Officer shall cause the said person to be deprived of one, or more, of the distinguishing marks or the additional pay, according to the gravity of the offence, shall, in his judgment, merit; which circumstance is to be duly entered in the muster and logbook, and reported in the periodical returns, under the regulations at present established for the discharge of Petty Officers; and the Badges and Pay so forfeited shall not be re-conferred until the expiration of at least one year from the date of forfeiture, and then only under circumstances of extreme good conduct. No man, so long as he is entitled to wear the Badge, shall be considered liable to corporal punishment, except in cases of mutinous conduct or for desertion.

HER MAJESTY having been pleased, by Her Order in Council of the 6th May, 1857, to extend to the Petty Officers of the Fleet the Good Conduct Pay established for Seamen by Her Order in Council of the 15th January, 1849 :

MY Lords Commissioners of the Admiralty desire that Her Majesty's gracious intention be made known to the Petty Officers of the Fleet, and that the following Regulations be observed :—

1. Those Petty Officers now serving, and those persons who may hereafter be promoted to that rank, will be allowed, in addition to the Established Pay of their Ratings, the Good Conduct Pay to which they were entitled, and were in possession of, at the time of their having been so rated as Petty Officers.

2. This amount of Good Conduct Pay may be claimed by the respective Petty Officers who were formerly drawing such Good Conduct Pay as Seamen from the 1st of April, 1857.

3. The time served as Petty Officer cannot be allowed to count towards any further increase of the Good Conduct Pay.

4. Petty Officers who may serve ten or fifteen years may be

awarded the Good Conduct Badges, although they can only be granted the Good Conduct Pay to which they were entitled when promoted.

5. Any Petty Officer guilty of irregularity of conduct, inattention to, or neglect of duty, may be deprived of one or more of the Good Conduct Badges and Pay, under the same rule as directed for Seamen in Clause 9 of the foregoing Regulations.

6. Any person dis-rated from the rank of Petty Officer for misconduct will forfeit all Good Conduct Badges and Pay; but by subsequent very good conduct during one year, he may be again granted one Good Conduct Badge with Pay, and the other Badges and Pay by subsequent service of one year between each Badge if entitled thereto under Clause 1.

7. The Gratuities allowed, on the paying off of Her Majesty's Ships, to the Petty Officers, by Her Majesty's Order in Council of 18th January, 1849, and make known to the Fleet in their Lordships' Circular No. 46, of the 10th January, 1849, will cease from this date.

8. As the benefit intended to be conferred by their Lordships upon the Petty Officers and Seamen of the Fleet, by the foregoing Regulations, will depend, in a great measure, upon the strictest impartiality being exercised in carrying them into effect, My Lords rely upon the Captains, and Commanding Officers of Her Majesty's Ships giving full force to their intention in this respect, and using the utmost care and circumspection in ascertaining the time served, as well as the character of the men selected for the Good Conduct Badge and Pay.

9. The weekly accounts, and quarterly returns, are to contain a statement of the number of Petty Officers and Seamen who have been granted the several descriptions of Badges and Pay.

10. In all cases where Good Conduct Badges are conferred a separate List is to be inserted in the Muster Book, in the following form, which is to be filled up at the time the Badge is granted, and the conferring of the Badge is likewise to be at once inserted with the Man's Character on his Parchment Certificate, and signed by the Captain.

(BONDS FOR PAYMASTERS).

Admiralty, 15th *January*, 1857.

Considerable delay having occurred in many instances in the execution of the Bonds required to be entered into by Paymasters and Assistant Paymasters whenever appointed to the charge of Paymasters' Stores on board Her Majesty's Ships, my Lords desire particular attention to be paid to the 20th and two following Articles in Chapter I of the Instructions for Paymasters, and they hereby notify that, in future, a Paymaster or Assistant Paymaster, prior to obtaining an appointment to a Ship, must state, by letter addressed to the Secretary of the Admiralty ("for the Commander of the Victualling"), that he and his sureties are prepared to give the necessary Bond immediately.

In every case of a Paymaster or Assistant Paymaster being appointed to the charge of Paymasters' Stores Abroad, the Commander-in-Chief is, before actually conferring the appointment, to require and receive from him a Letter containing his personal Bond and proposing his Sureties, and to forward the same, together with a notification of the appointment, by the earliest conveyance for their Lordships' information.

Those Officers who may neglect to comply with these directions, or may fail to complete their Bonds, will be liable to have the receipt of their Full-pay and their Half-pay withheld during their Lordships' pleasure.

By Command of their Lordships,

R. OSBORNE.

5. He will also be required to have a fair knowledge of steering and managing a Boat under Oars and Sail, of Knotting and Splicing, Rigging Lower Masts and Yards, &c., the use of the Hand and Deep Sea Lead, and also the Simple Exercise of the Great Guns.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam-Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for heading at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X. and XII. are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship; and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters; that in Gunnery by a Gunnery or other competent Officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII. must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate, to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent, at the first Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in

Digitized by Google

his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X. and XII. are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years' service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 58, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates shall equally apply to them. Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXII. With reference to Circular, No. 97, of the 9th December, 1851,—The foregoing Examination for the entry of Naval Cadets under 14 years of age shall be extended to Masters' Assistants, between 14 and 15 years of age, and the foregoing Examination for the entry of Cadets above 14 years of age shall be extended to Masters' Assistants between 15 and 16 years of age. The knowledge of Latin, French, and English History, will not be required of Masters' Assistants at these Examinations.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

PHYSICAL QUALITIES OF CONTINUOUS SERVICE MEN AND BOYS.

Admiralty, March 4, 1857.

In consequence of the size of Her Majesty's ships and their heavy armaments, my Lords Commissioners of the Admiralty consider it to be of great importance that the men entered for continuous service should be strong, able-bodied, and physically fit for the duties required of them. To ensure this object, my Lords are pleased to direct that no man be entered for continuous service unless upon a certificate from the Medical Officer of the ship for which he may desire to enter, approved by the Officer in command, stating that the man is strong, able-bodied, and in all respects physically fit for Her Majesty's Service.

A similar certificate is to be required in the case of boys before they are rated seamen for continuous service.

My Lords desire also to call attention to the provisions of Circular No. 121, of 14th June, 1853, under the head of "Discharge of ineligible Boys." The directions therein contained are to be rigidly adhered to, and all boys unfit for the service are to be discharged.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships.

CIRCULAR, No. 292.

Admiralty, March 18th, 1857.

(OFFICERS' FULL PAY BILLS.)

The Lords Commissioners of the Admiralty having determined to discontinue the present mode of paying the Officers of Her Majesty's Fleet by Bills of Exchange drawn by themselves on the Accountant-General of the Navy, and to substitute for it a periodical payment by the Paymaster of each Ship, I am commanded to make the same known for the general information of the Service.

My Lords desire me to call attention to the advantages that will result to the Officers from this change, which will have the effect of protecting them from loss, whether by discount or by exchange—it will relieve them from all trouble and uncertainty as to the negotiation of their Bills—it will ensure prompt and regular payment wherever the Ship may be, and it will protect the Officers from the inconvenience to which they are sometimes exposed by their bills being purloined or mislaid.

It is their Lordships' desire, in making this arrangement, that every Officer in the Fleet shall enjoy as much facility in receiving or remitting his pay as possible, and therefore they wish it to be understood, by Officers of all ranks, that at the time of payment they are at liberty to receive the whole or a part of their pay in cash, or to remit the whole, or any portion of the net sum they are entitled to receive, to whomsoever they please.

The accompanying forms and regulations for carrying this measure into effect, are to be carefully and punctually observed, and they are to come into operation on board Her Majesty's Ships at Hulk at the end of the quarter (30th June, 1857), commencing on the 1st April next. In ships on Foreign Stations they are to take effect at the end of the quarter in which they may be received, and the commencement of this new system in such ships is to be reported for their Lordships' information.

All the existing forms of bills for drawing the full pay of Naval Officers of every rank, and those for drawing Marine Officers' pay, are to be forthwith returned to the Storekeeper-General of the Navy, in order that they may be cancelled.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

Instructions for Preparing this Account.

1st.—The Officers' names are to be entered according to their rank, and not in the order in which they appear on the Ship's Books, so that each class of Officers may appear consecutively on the list.

2nd.—Care is to be taken that *all* the charges incurred within the period for which the account is made up, be deducted from the Officer's pay, and that no deductions, either of a prior or subsequent date, be included.

3rd.—The vacant spaces under the head of Deductions, are to be filled in with the words Clothing, Subscriptions, Per Centage on Cabin Furniture, &c., so as to describe the nature of the charge for which the deduction is made.

4th.—The columns of Gross Amount of pay, of Income Tax, and of Total Deductions, are to be totalled as well as those "Net Sum Payable," and "Amount paid by the Paymaster."

5th.—Should there be no objection to the payment, the authority for payment is to be modified accordingly, by excepting the Officer against whom such objection exists, and the case is to be immediately reported to their Lordships.

6th.—Payment is to be made in the presence of the Captain, who is to attest the account, stating in words the total sum actually paid.

Admiralty, 18th March, 1857.

(REGULATIONS FOR THE PAYMENT OF FULL PAY TO OFFICERS OF ALL RANKS IN HER MAJESTY'S NAVY AND MARINES.)

1.—The existing system of drawing Bills on the Accountant-General of the Navy for the Full Pay of Officers of the Navy and Marines, is to be discontinued.

2.—On the last day of every quarter, an account is to be prepared in duplicate, according to the annexed Form, showing the amount of Full Pay to which each Officer is entitled, and the deductions therefrom to which he may be liable, the net balance due to him, the amount he desires to remit, and the sum paid to him by the Paymaster; both copies are to be signed as originals, and one of them is to be retained on board the ship. Should any of the Officers be absent at the time of payment, their names are nevertheless to be included in the account, with a notation of the cause of their absence, and that they have not been paid.

3.—This account is to be divided into two parts for Naval Officers, one for the "Commissioned Officers," the other for the "Assistant Engineers, Warrant, and Subordinate Officers," and a separate account for Marine Officers.

4.—The account being prepared according to the directions printed on the Form, is to be carefully examined with the Ship's Books and Accounts by the Paymaster, and his Assistant, or, where there is no Assistant Paymaster, by the Paymaster and the Master, who are to sign a certificate of such examination. In small vessels not bearing a Paymaster, the account is to be examined and certified by the Assistant Paymaster and the Master or Second Master.

5.—As it can scarcely ever be necessary to prepare these accounts in a hurried manner, the Paymaster will be held responsible for the correctness of all the particulars inserted therein, the accounts are to be made up gradually and deliberately, so as to require but a small amount of labour to complete them at the end of a quarter.

6.—The Captain will, if he sees no objection, authorize the Paymaster to procure money and make the payments; if however he has an objection to the payment of any of the Officers, he will qualify his authority on the account accordingly, reporting his reasons for objecting to their Lordships for their decision.

7.—Whenever the ship shall be at a port where there is an Admiralty Accountant, the Paymaster is to procure the money from the proper Officer, otherwise by requisition on the Commissariat Chest. If neither of these means are available, then he is to draw the money by Bill of Exchange on the Accountant-General of the Navy, according to the Regulations of the Service.

8.—Payment is to be made in British coin, where it is procurable and current; if British money cannot be made use of, then payment is to be made in foreign coins at the fixed official rates.

9.—Every Officer may remit at the time of payment either the whole or a portion of the net amount he is entitled to receive; such remittances need not be in even money, nor are they limited in amount, so long as they are within the net sum payable to the Officer.

10.—Lists of these remittances are to be prepared for each account a day or two before the day of payment, in order that the Paymaster may be enabled to regulate his requisition for money accordingly.

11.—The remittance lists are to be transmitted to the Accountant-General of the Navy by the *very first* opportunity, to enable that officer to prepare and despatch the remittance Bills for payment.

12.—The quarterly accounts of Full Pay should, if ready, accompany the remittance lists; if not, they should be transmitted with the Paymaster's cash account for the month in which the payment took place, which, in every possible case, should be the last day of the quarter.

13.—Whenever an Officer is discharged *from one ship to another*, he is to be furnished with a certificate signed by the Captain and Paymaster of the ship he is discharged from, showing the date up to which he was last paid, and the nature and amount of the charges incurred by him since the last payment, in order that he may receive his pay on board the ship he is discharged into.

14.—Whenever an Officer is sent to Hospital or Sick Quarters, he may be paid the amount due to him up to the day he is sent sick (such payment to be entered in the Quarterly Account), and furnished with a certificate of the date to which he has been paid. If a further payment should become due while the Officer remains at sick quarters, he may be paid by the Agent under the approval of the Superintendent or Medical Officer in charge, who is to report such payment to the Admiralty by the first opportunity, and grant a certificate to the Officer of the time up to which he has been paid.

15.—Officers discharged to Half Pay are on no account to be paid by the Paymaster up to the date of discharge; they are to be furnished with the usual Pay Documents, in order that their accounts may be adjusted at this Office.

16.—Officers employed on detached duty, at a distance from the ships they belong to, are, on leaving the ship, to be furnished with the certificate mentioned in Article 13, by which means they may be paid by the Paymaster of any of Her Majesty's ships present, on producing such certificate to the Captain, who will give the necessary authority to the Paymaster, and acquaint the Captain of the ship to which the Officer belongs, in order that the necessary notation may be made on her books. He will also give a certificate to the Officer paid.

17.—Surgeons-Superintendents of Convict Ships, and other Officers not borne on any ship's books, but who are entitled to Full Pay, or such Officers referred to in the foregoing Article as may be in charge of Prizes, or employed on other detached service, when no such certificate can be obtained, are to draw bills quarterly for the amount due to them, in the common bill form, advising the Accountant-General of the Navy of every such bill.

18.—Officers entitled to allowances in addition to their usual pay, whether for Table Money, Surveying Duties, or on any other account, are to be paid the same not oftener than once a quarter, upon a separate account or statement, showing the nature of the allowances and every other necessary particular, but they are not to draw bills for such allowances in future.

19.—Nothing herein contained is to justify the payment of Half Pay under any circumstances whatever, without special directions.

(Stamp Duty on Commissions, &c.)

Admiralty, 12th December, 1857.

My Lords having had under their consideration the inconvenience which has hitherto attended the collection of the Stamp Duty on Commissions and Appointments, required to be paid under the Act 55 Geo. III., cap. 184, are pleased to direct that, on and after the 1st of January, 1858, the Commission or Appointment be forwarded to the Officer, if on Full Pay, under cover to the commanding Officer of the Ship or Vessel to which he has been appointed.

On the receipt of such Commission, or Appointment on board, the Paymaster of the Ship is to note against the Officer's name on the Ship's Books the value of the Stamp Duty with which he is chargeable, as shown upon the instrument in question, which sum is to be abated from the next payment due to the Officer, and inserted in the Quarterly Pay Account of the Ship.

The Stamp Duty is only to be recovered by deductions from Pay, and is not to be received in Cash by the Paymaster, otherwise the Officer will be liable to a double payment.

Officers upon Half Pay are to require the persons who pay them to stop the amount of the Stamp Duty; or if paid by Bill upon Her Majesty's Paymaster-General, it is to be abated on the face of the Bill, and the net amount only is to be drawn for.

No further payments on account of the Stamp Duty are to be made to the Chief Clerk of this Office after the 31st of this month.

R. OSBORNE.

STEERING BY SIGNS.

With reference to amended Circular, No. 244, dated 9th April, 1856, establishing certain directions for steering by signs, my Lords Commissioners of the Admiralty having reason to believe that it has been found difficult uniformly to carry out in all Her Majesty's Ships the regulations therein laid down, are pleased to direct that the Circular in question shall be considered as cancelled.

PAYMASTER AND CLERKS, R.N.

My Lords have had their attention called to the delay in rendering Ships' Books and Accounts from some of Her Majesty's Ships, and under the term "Accounts," they desire that it may be clearly understood that "Victualling and Clothing" accounts are included, as well as "Cash."

My Lords have revised the establishment of Assistant-Paymasters, Clerks, and Assistant-Clerks, allowed on board Her Majesty's Ships, including those employed in the Coast Guard Service, and they are satisfied that if the directions contained in the 18th and 20th Articles, chapter I, of the Paymasters' Instructions, and in Circular No. 165, dated 17th March, 1855, are strictly followed, the Office Staff on board each ship will be found fully sufficient.

The Commanding Officer is authorized to select a Clerk as an *Assistant-Clerk*, to assist him in his correspondence, and for such other clerical duties as he may require; but my Lords apprehend that the whole of the time of such Clerk or Assistant-Clerk may not always be so occupied, and the proportion thereof should therefore be available for office duties under the Paymaster, and the establishment for such ship has been fixed with that understanding. The Commanding Officer is therefore to direct that the whole of the time of the Assistant-Paymaster and other Clerks is to be at the disposal of the Paymaster, who is to employ them in the supervision of the victualling and clothing transactions, the receipt and issue of all such stores, as well as in keeping and making up the accounts, books, and documents appertaining thereto, without which it is scarcely possible they can gain sufficient knowledge to pass the necessary examination as to the proper duties required of a clerk in the mode of keeping ships' books and accounts, the allowance of provisions to the Fleet, and the mode of issuing the same.

Under this arrangement and subdivision of business, it is evident that the Paymaster will have more time to superintend the general duties of his office and stores, although he will be still held responsible for the general accuracy of the ship's books and accounts, as well as the economical expenditure of provisions and clothing.

To ensure due obedience and attention to these orders, my Lords direct, that before the Captain fills up and transmits

the half-yearly return of the Assistant-Paymasters, Clerks &c., ordered by Circular No. 106, the Paymaster shall certify in writing to the Captain whether these officers have discharged their duties in a satisfactory and creditable manner.

A copy of the Report is to be inserted in the Muster Book.

As all account keeping will, under these Regulations, be done by the Paymaster, his Assistant, and Clerks, the Ship's Steward will attend to the ordinary duties required of him by the Paymaster, assisting in office duties only when specially directed on account of pressure or other cause.

With reference to Circular No. 259, now cancelled, my Lords desire that when no Assistant Paymaster, Clerk, or Assistant-Clerk is borne on the Ship's Books, although allowed in the complement, the Paymaster is to receive extra pay at the rate of 2*s.* 6*d.* per day. When the Office Staff is short of complement, and in cases of the continued sickness or absence of any Assistant-Paymaster or Clerk, the Captain may authorise the employment in the Office of any Petty Officer, Non-Commissioned Officer, Seaman, or Marine competent to assist in the clerical duties, and to pay him an extra pay of not more than 1*s.* 3*d.* per day, also in the case of performance of the official duties in small vessels.

Ships bearing on their books any large number of permanent Supernumeraries, will be considered for a special establishment.

Arrangements are to be made in accordance with this Circular without delay.

R. OSBORN.

DUTIES OF OFFICER IN CHARGE OF THE WATCH.

The attention of my Lords Commissioners of the Admiralty having been called to minutes of several Courts Martial, at which it has appeared, in evidence, that officers in charge of the deck when ships have been run on shore, have been ignorant of the neighbourhood of the land, and of the nature of the navigation in which the ships were situated at the time of such accidents, their Lordships are pleased to direct that the following instructions shall be substituted for Art. 2, chap. 6, at p. 202 of the Admiralty Instructions for Lieutenants, and for Art. 1, chap 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains.

(To be substituted for Art. 2, chap. 6, at p. 202 of Admiralty Instructions for Lieutenants.

"On taking charge of a watch he is to make himself acquainted, as far as is practicable, with the supposed position of the ship, especially when approaching land, or in pilot water, and whether he may be likely to see any and what land or lights; he should also acquire any other information in his power, which may assist him in keeping the ship out of danger so long as he is in charge of the deck, and he is to be constantly on deck, until relieved by the officer who is to succeed him. He is to see that the men are alert and attentive to their duty; that every necessary precaution is taken to prevent accident from squalls or sudden gusts of wind; and that the ship is as perfectly prepared for battle as circumstances will admit. He is to be particularly careful that the ship be properly steered, and that a correct account be kept of her way by the log being duly hove, and by the leeway for each hour being marked on the log board, on which is also to be marked every occurrence worthy of notice, and any accident that may have occasioned the loss of any of her stores; and he is also to see that all signals made in the fleet are correctly minuted on the log board in such manner as the Captain shall direct; and he is, at the end of his watch, to sign the log board and the report of signals (if such be kept separately) with the initials of his name; and when the occurrences of the day have been entered in the log book he is to sign that also with the initials of his name, at the end of each watch which he kept."

(To be substituted for Art. 2, chap. 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains.

"When a ship is in pilot water, or in the vicinity of land, or rocks, or shoals, the Captain is always to take particular care, whether the Master or Pilot think it necessary or not, that the hand lead be kept constantly going, not only with a view of obtaining soundings, when they may be expected as a guide for conducting the ship, but also as a precaution against any mistakes of the pilot, or any irregularities of the tides; and it is to be kept going even in the most frequented channels, and the Captain is at all times to take care that the officer in charge of the deck shall pay particular attention to Article 2, chap. 6, of the Instructions for Lieutenants.

"If it shall appear that the ship has been run on shore, or brought into danger of being run on shore or wrecked, and that this order has been disobeyed, the Captain will be held responsible for the same; and in the event of the ship touching the ground, he is to transmit a statement of the whole circumstances of her getting ashore, with every particular as to the situation, and probable cause thereof, and the extent of damage the ship may have sustained."

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commander of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, by the Staff Officer of the District in which he resides; and in such certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for such action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A) shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:—

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to reassemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

F. While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of
I. Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat,
L. or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

M. 4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains.

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

LIEUTENANTS.

The number of Lieutenants on the Active List will be reduced to a number no permanently exceeding 1200, viz:

1st. By the promotion of 50 Lieutenants by selection, as above stated.

Google

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

3rd. By keeping up the rule of promoting one officer in three vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet: but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2nd. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100: such increase to be effected by selecting from the Active List of Lieutenants, a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

N.B.—Officers who may in future be promoted to the rank of Commander for good service in the Coast Guard, or in command of Revenue Cruizers, will be promoted to the Reserved List, except only in individual cases in which, on the special recommendation of the Comptroller General of the Coast Guard, the Lords of the Admiralty may think it desirable to retain the services of the Officer so recommended, by promoting him to the Active List. Such annual Promotions to the Reserved List will be irrespective of any vacancies on that List; but on the death of an Officer so promoted, his vacancy will not be filled up.

COMMANDERS RETIRED WITH THE RANK OF CAPTAIN UNDER THE ORDER IN COUNCIL OF 10TH AUG., 1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*s.* 6*d.* per diem, being the lowest rate of Half-pay allowed to a Captain. LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 30TH JAN. 1816.

LIEUTENANTS RETIRED WITH THE RANK OF COMMANDER UNDER THE ORDER IN COUNCIL OF 1ST NOV. 1830.

P. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the situation of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

MASTERS RETIRED WITH THE RANK OF COMMANDER UNDER ORDER IN COUNCIL OF 19TH MAY, 1846.

Q. This List consists of 40 of the Senior Masters on the List, who have the option of receiving the Retired Rank of Commander, the first 20 at 12*s*. 6*d*. a day, and the rest at 10*s*. 6*d*. a day. Their widows are allowed pensions of 60*l*. a year, if otherwise entitled thereto.

N.B.—Masters at sixty years of age, who are qualified for 1st Rates, will be permitted to retire with the Rank of Commander, after 15 years' service on Full Pay as Master, and with the Rank of Captain after 20 years' service on Full Pay in the Rank of Master, but the amount of retirement will be fixed according to the Rate of Half Pay which they may have earned by service as Master.

Masters above fifty-five years of age, and under sixty, who are totally disqualified by sickness or injuries contracted in the service, and rendered incapable of further service afloat, will be allowed, at the discretion of their Lordships, to retire with the Rate of Half Pay which they may have earned, and with the Rank of Commander, provided they have completed not less than 15 years' service in the Rank of Master.
